Education Code 78041

Notwithstanding Section 66010.4, and commencing January 1, 2015, the Board of Governors of the California Community Colleges, in consultation with the California State University and the University of California, may authorize the establishment of district baccalaureate degree pilot programs that meet all of the eligibility requirements set forth in Section 78042.
Education Code 66010.4

(a) (1) The California Community Colleges shall, as a primary mission, offer academic and vocational instruction at the lower division level for both younger and older students, including those persons returning to school. Public community colleges shall offer instruction through but not beyond the second year of college. These institutions may grant the associate in arts and the associate in science degree.
Education Code 78042

78042. (b) When seeking approval from the Board of Governors of the California Community Colleges, a district shall maintain the primary mission of the California Community Colleges specified in paragraph (3) of subdivision (a) of Section 66010.4. The district, as part of the baccalaureate degree pilot program, shall have the additional mission to provide high-quality undergraduate education at an affordable price for students and the state.
Education Code 6601.4

(3) A primary mission of the California Community Colleges is to advance California’s economic growth and global competitiveness through education, training, and services that contribute to continuous work force improvement.
58520. Baccalaureate Degree Pilot Program Fees.

(a) Baccalaureate degree programs shall in addition to the fees charged pursuant to Article 1 charge a fee to students for upper division coursework in a baccalaureate degree pilot program of eighty-four dollars ($84) per regular semester credit unit or fifty-six dollars ($56) per regular quarter credit unit.

(b) Revenue generated from the fee for upper division coursework in a baccalaureate degree pilot program in subdivision (a) shall be local revenues and not to be included in the apportionment adjustments described in Education Code Section 76300.
