

## **Summary of SB 97 Budget Clean Up Bill**

“Local educational agencies” means school district or county office of education, rather than high school, unified school districts, regional occupational centers or programs, or adult schools.

**Sections 8 through 12. New Apprenticeship Program.** Amend education code sections having to do with the new apprenticeship program.

**Section 51. Deferrals.** Amends section Education Code 84321.6. Decreases the amount of apportionment deferred from the month of February to the month of July from \$55,233,000 to \$52,456,000.

**Section 52. Mandate Block Grant.** Adds the collective bargaining agreement disclosure mandate to the list of specified state-mandated local programs included in the mandate block grant.

**Section 54. Proposition 39.** Amends section 26233 of the public resources code. Of the funds deposited into the Job Creation Fund, eleven percent of the funds are available to community college districts and are to be allocated by the Chancellor of CCCs discretion.

**Section 61. RDA Backfill.** Allows the BOG to distribute any additional RDA funding received.

**Section 62. RDA Backfill.** The DOF may appropriate up to \$100,000,000 to community colleges if RDA revenues fall short of projections made in the 2012 Budget Act.
