RESOLUTION NO. 11/12-07, ESTABLISHING TRUSTEE AREAS FROM WHICH DISTRICT GOVERNING BOARD MEMBERS WILL BE ELECTED AND APPROVING THE ELECTION OF SUCH BOARD MEMBERS IN A BY-TRUSTEE AREA ELECTION PROCESS

WHEREAS, The North Orange County Community College District ("District") currently uses an at-large process of electing its governing board members; and

WHEREAS, at its meeting of December 13, 2011, the Board of Trustees ("Board") amended Board Policy 2100, Board Elections, to express its intent that at the November 2012 election, and for all elections thereafter, each trustee will be registered to vote, and shall reside throughout his or her term, in one of seven specified trustee areas, and shall be elected by the voters residing in that area only; and

WHEREAS, at-large election processes such as the District's are subject to challenge under the California Voting Rights Act of 2001, codified at sections 14025–14032 of the California Elections Code ("CVRA"); and

WHEREAS, a by-trustee area election process is not vulnerable to challenge under the CVRA; and

WHEREAS, in a by-trustee area election process, candidates for the District's Board must reside within a specific geographic subarea of the District called a "trustee area" and candidates are elected only by the voters of that trustee area; and

WHEREAS, Education Code section 72036 allows community college districts to transition from an at-large election process to a by-trustee area election process upon the adoption of a resolution by the District's Board in support of transitioning to a by-trustee area election process and upon the approval of the Board of Governors of the California Community Colleges; and

WHEREAS, District staff and consultants have prepared proposed trustee area plans and recommendations (the "Plans") that the Board and public have considered and commented on; and

WHEREAS, the Board has conducted public input meetings on January 17, 18, and 19, 2012, to receive public input and comment on the Plans; and

WHEREAS, the Board held a public hearing at its regularly scheduled meeting on February 14, 2012, to receive any additional public input and comments on the Plans; and

WHEREAS, the Board and its consultants have considered all such public input and comment on the Plans; and

WHEREAS, the Board, upon adoption of this Resolution, hereby adopts Plan D a copy of which is attached to this Resolution as Exhibit "1", for use in the District's next regularly scheduled governing board member election occurring in November 2012 in a by-trustee area election process; and

WHEREAS, each trustee area in Plan D contains substantially equal population utilizing the most recent decennial federal census data as required by Education Code section 72036, and takes into consideration various communities of interest, municipal boundaries, geographic features, and incumbency; and

WHEREAS, If the change in election methodology and the establishment of seven trustee areas is approved by the Board of Governors of the California Community Colleges, any affected incumbent trustee shall serve out his or her term of office; and

WHEREAS, the trustee areas from which governing board members will be elected in November 2012, and every four years thereafter are Areas 2, 4, 5, and 7; and
