Item 2.3

Issue

This item presents the Board with an opportunity to select the location for its campus visit for 2013.

Background

From 1985 to 1994, the Board held its meetings both in Sacramento and at various locations throughout the state. In 1995, the Board of Governors began holding an annual meeting at a community college campus, with the remaining meetings held in Sacramento. The campus sites for the period 2000-2012 follows:

- 2000 Long Beach Community College District
- 2001 Siskiyou Joint Community College District
- 2002 Santa Clarita Community College District
- 2003 San Luis Obispo County Community College District
- 2004 Southwestern Community College District
- 2005 San Jose City College
- 2006 Kern Community College District
- 2007 Riverside Community College District
- 2009 Lake Tahoe Community College
- 2009 San Francisco City College
- 2010 El Camino Community College District
- 2011 Butte Community College District
- 2012 San Diego City College

The Board alternates holding its campus meeting between Northern, Southern, Bay Area, and Central Valley locations, whenever possible.

The Board has expressed interest in meeting outside Sacramento more than once a year. This could be arranged, but for various reasons the meetings need to be held in Sacramento in March, May and July, which limits the options.

The following districts have been suggested for the 2013 off site meeting:

1. Peralta Community College District
2. Foothill-De Anza Community College District
3. West Hills Community College District

Recommended Action

The Board of Governors decides on the location of their campus visit for 2013 based on the choices listed above.
