## **Item 3.2**

### **Issue**

This item presents the board with an opportunity to begin consideration of the location(s) for its campus visit for 2013.

### **Background**

From 1985 to 1994, the board held its meetings both in Sacramento and at various locations throughout the state. In 1995, the board began holding an annual meeting at a community college district or campus, with the remaining meetings held in Sacramento. The district/campus sites from 2000 to 2012 follow:

- 2000 Long Beach Community College District
- 2001 Siskiyou Joint Community College District
- 2002 Santa Clarita Community College District
- 2003 San Luis Obispo County Community College District
- 2004 Southwestern Community College District
- 2005 San Jose City College
- 2006 Kern Community College District
- 2007 Riverside Community College District
- 2009 Lake Tahoe Community College
- 2009 San Francisco City College
- 2010 El Camino Community College District
- 2011 Butte Community College District
- 2012 San Diego City College

The board alternates holding its campus meeting between Northern, Southern, Bay Area and Central Valley locations whenever possible.

The board has expressed interest in meeting outside Sacramento more than once a year. This could be arranged, but for various reasons the meeting needs to be in Sacramento in March, May and July, which limits the options.

The following districts/colleges have been suggested for the 2013 off site meeting:

1. Peralta Community College District
2. College of the Desert
3. Foothill College
4. DeAnza College
5. Cabrillo College
6. Contra Costa Community College District

### **Conclusion**

This item is a first reading. The Board of Governors will take action on the off-site meeting location for 2013 at its November 2012 meeting.
