**ISSUE:** This item presents an update on the status of the 2013-14 state budget relating to the California Community Colleges.

**BACKGROUND:** At the time of this writing, the Joint Legislative Budget Conference Committee has arrived at an agreement for the 2013-14 budget, but the budget has yet to be formally adopted by the full houses of the Legislature and signed by the governor. Until that time, changes may occur. Given that, a more complete summary of the budget as it relates to the California Community Colleges will be provided to the board in advance of the meeting.

**RECOMMENDATION:** This item is presented for information and discussion.
