INFORMATIVE DIGEST

California Code of Regulations, title 5, section 58520, sets forth the requirements for Los Rios and Rio Hondo Community College Districts to establish a mandatory transportation services fee. Prior to 2009, only the districts specifically mentioned in the Education Code were allowed to establish such a fee. The passage of Assembly Bill (AB 774) in 2009, allowed for all community college districts to establish a mandatory transportation fee. Based on that change, title 5, section 58520 has been rendered obsolete and should be repealed.

ESTIMATED COST OR SAVINGS OF PROPOSED AMENDMENTS

The estimated cost or savings of the proposed amendments are anticipated to be as follows:

Mandate on local agencies or community college districts: None

Cost or savings to state agencies: None

Other non-discretionary cost or savings imposed on community college districts: None

Cost or savings in federal funding to state agencies: None

The effect of the adoption of the proposed regulations will not impose increased costs or new costs to community college districts that are required to be reimbursed under section 17561 of the Government Code. Such determination will be made a formal part of the public hearing at the time and place described above. Furthermore, there are no direct costs or indirect costs, or savings to any state agency, no costs or savings in federal funding to the state and no non-discretionary costs or savings to local agencies.
