ISSUE: Approval of the 2013 California Community Colleges System Strategic Plan.

BACKGROUND: The Board of Governors reviewed the draft strategic plan at the March 3, 2013 Board retreat. Appropriate revisions have been made to that document and it is now ready for Board consideration.

RECOMMENDED ACTION: It is recommended that the Board of Governors approve and adopt the 2013 California Community Colleges System Strategic Plan.

ANALYSIS: In 2006, the Board of Governors adopted the California Community Colleges System Strategic Plan. It has not been updated or amended since 2006. At the March 3, 2013 Board of Governors retreat, a draft version of the updated 2013 strategic plan was presented and at that time Board members offered comments.

The 2013 California Community Colleges System Strategic Plan has been amended to incorporate comments received from members of the Board of Governors. At the March 21, 2013 Consultation Council meeting, Chancellor Harris invited comments from the Consultation Council. The Consultation Council had additional opportunity to provide input at the April 18, 2013 meeting. The strategic plan was well-received by Consultation Council at both meetings. The 2013 California Community Colleges System Strategic Plan is in final form and is ready for approval.
