ISSUE: The Board of Governors will be provided with an update on both state and federal activities.

BACKGROUND: The State Legislature adjourned on September 13, 2013, and the governor completed his actions to sign or veto bills on October 13, 2013. This update provides a summary of the final, state legislative actions for 2013. Federal action on legislation and budget activities progresses according to a different process, and it is possible that the federal update may change by the time of the board meeting.

RECOMMENDATION: This item is presented for information and discussion.
