Text of Bagley-Keene Open Meeting Act (Government Code sections 11120 et seq.)

PREFACE

This two-part document contains Board-adopted policies that establish the board's various procedures and set forth its delegations of authority to the Chancellor, community college districts, or others.

Part One consists of three chapters. Chapter 1 sets forth operating procedures for the conduct of Board business, including organization, meetings, full Board business, committees, and officers, etc. Chapter 2 sets forth procedures for adopting regulations of the Board of Governors. Chapter 2.5 sets forth the procedures regarding systemwide auxiliary organizations.

Part Two of the document, Chapter 3, contains various “standing orders” of the Board of Governors that constitute the Board's delegations of authority to the Chancellor, community college districts, or others.

This document will be updated periodically to reflect changes adopted by the Board since the date of initial publication.

PART ONE

Procedures of the Board of Governors

Chapter 1. Operating Procedures

Article 1. Organization

1. Role, Rights, and Responsibilities.

It is policy of the Board of Governors that all members, including the trustee, faculty, classified staff, and student members, have the same basic role and responsibility. The basic role and responsibility of a member of the Board of Governors is to bring his or her own best thinking and personal views to the Board's discussion, determining his or her own positions on the issues rather than being bound to represent or advocate the positions of a particular organization or constituency.

It is also policy of the Board of Governors that all members of the Board of Governors shall have equal rights and responsibilities. In this regard, the trustee, faculty, and classified staff members shall, except when necessary to prevent a conflict of interest, have full voting rights, as well as other rights, duties, privileges, and emoluments afforded to all other Board members. Student members shall also have the same rights, duties, privileges, and emoluments afforded to other Board members, except that, consistent with Education Code section 71000(b), only one student member shall have the right to vote and that member shall not vote when doing so would involve a conflict of interest. In addition, all Board members shall have the same basic obligation to attend meetings of the Board, and to represent the Board to the community colleges as well as community college organizations.

It is also policy of the Board of Governors that all members shall comply with the Operating Procedures specified in this chapter, with the Procedures for Adopting Regulations of the Board of Governors specified in Chapter 2, with the Standing Orders of the Board of Governors specified in Chapter 3, and with all statutes and other Board policies which prescribe the conduct of members of the Board of Governors. In this regard, all matters discussed in closed session will be treated with the strictest confidence, and will not be disclosed to any person unless required by law.

2. Robert's Rules of Order.

Except as otherwise provided in these Operating Procedures, the Board of Governors will follow Robert's Rules of Order in conducting its business.

5. Compensation of Members.

Members of the Board of Governors shall receive any stipend permitted by law, a per diem allowance and their actual and necessary traveling expenses in accordance with applicable rules and regulations of the Department of Personnel Administration while on designated and official business of the Board of Governors only as follows:

(a) While attending all regular and special meetings of the Board of Governors and all committee meetings thereof;

(b) While attending and/or participating at conferences and meetings of state, regional, or national associations relating to postsecondary education. Members of the Board interested in attending such meetings shall notify and obtain approval of the President prior to attending.

(c) Member visits to community colleges are encouraged, and reimbursement will be allowed, provided advance notice is given to the Chancellor, and approval is given by the Board President.

(d) Reimbursement for any out-of-state travel requires prior approval of the President of the Board and the Governor's Office.

(e) A member of the Board is authorized to claim a stipend of \$100.00 for each day the member is attending to official business.

Members of the Board shall note on provided time sheets the actual time they were away from headquarters on official business. The appropriate stipend will be assessed by the Office of the State Controller upon recommendation of the Chancellor.

(f) The President shall approve the participation of all Board members on official business. In so doing, the President and Vice President shall prepare, administer and stay within a Board-approved budget that has been established through the annual budget process. Approval of the President is not required with respect to attendance at any regular or special meeting of the Board, or with respect to attendance at Board committee meetings by committee members. Approval is also not required with respect to Board members who have been appointed by the President to participate on task forces established by the Board or by other entities.

(g) Consistent with the regulations of the Department of Personnel Administration, Board members traveling on official business may claim reimbursement for actual costs, in excess of normal state reimbursement rates, if the President determines that any of the following circumstances exist:

(1) there is an emergency;

(2) lodging is not available at the state rate;

(3) paying the higher rate would be cost-effective; or

(4) the member is attending a non-state sponsored conference or convention and the lodging rate is contracted for in connection with that event.

The President may delegate to the Vice President or the Chancellor authority to make determinations pursuant to this subdivision regarding reimbursement for travel costs in excess of normal reimbursement rates.

(h) As used in this section, official business is defined as attendance at all regular and special meetings of the Board and all committee meetings to which a member is assigned; attendance at all meetings to which a member serves as the elected or appointed representative of the Board except in those cases where a stipend is already provided from another source; and any other assignment or activity by a member with the advance concurrence of the President of the Board.

6. Ethical Conduct, Contracts, Honoraria, and Outside Activities.

(a) Members of the Board of Governors shall comply with the standards of ethical conduct for gubernatorial appointees as set forth in Executive Order 66-2. These standards include, but are not limited to, the requirement that members of the Board of Governors refrain from

engaging in any employment, activity, or enterprise which might result in, or create the appearance of resulting in any of the following:

(1) Using the prestige or influence of his or her office for the member's private gain or advantage, or the private gain or advantage of another.

(2) Using state time, facilities, equipment, or supplies for the member's private gain or advantage, or the private gain or advantage of another.

(3) Using confidential information acquired by virtue of the member's position for his or her private gain or advantage, or the private gain or advantage of another.

(4) Receiving or accepting money or any other consideration from anyone other than the State for the performance of an act which the member would be required or expected to render or as a part of his or her duties as a member of the Board of Governors.

(5) Performance of an act in other than his or her capacity as a member of the Board of Governors knowing that such an act may later be subject, directly or indirectly, to the control, inspection, review, audit or enforcement by the Board of Governors or the Chancellor's Office. This paragraph shall not apply to actions of the faculty, trustee, or student members of the Board of Governors which are taken in their capacities as faculty, trustees, or students at a local district.

(b) No member may make or enter into any contract on behalf of the Board of Governors.

(c) No member may, subsequent to his or her appointment, enter into any contract for gainful employment or other compensation with any California community college district or with any association or organization of California community colleges or of personnel actively engaged with or employed by California community college districts. Upon being appointed to the Board of Governors, each member shall terminate any preexisting contractual relationship he or she may have with a community college district or with any association or organization of California community colleges or of personnel actively engaged with or employed by California community college districts, unless the contract embodies an employee/employer relationship.

(d) No member shall apply for reimbursement of expenses or per diem if an honorarium is accepted for participating in a conference, workshop, seminar, or similar presentation.

(e) No member of the Board of Governors shall accept appointment or election to serve with any special interest group or organization any of whose responsibilities are to take positions on which the Board of Governors takes formal action.

7. Contracts with Districts for Reimbursement for Service by Employees.

Upon the request of the governing board of a district whose employee has been appointed as a member of the Board of Governors, the Chancellor shall enter into a contract with the district so as to at least partially reimburse the district for the costs of replacing the employee. The contract amount shall not exceed that amount which is necessary to reimburse the district for its actual expenses (such as the expense of hiring different instructors) of granting up to 20 percent reassigned time for the employee who serves on the Board of Governors.

8. California Postsecondary Education Commission Representatives.

There shall be one member of the Board of Governors and one alternate on the California Postsecondary Education Commission.

One representative and one alternate of the Board of Governors shall be elected annually at the last regular meeting of the Board in each calendar year.

No person who is employed by any institution of public or private postsecondary education shall be appointed to or serve on the Commission, except that a person who is not a permanent, full-time employee and who has part-time teaching duties that do not exceed six hours per week may be appointed by the Board of Governors to and serve on the Commission.

The representative and the alternate shall serve one-year terms and may be reelected.

The representative and the alternate shall carry out the duties and responsibilities as members of the Commission, and shall report at each meeting of the Board of Governors matters considered by the Commission.

Article 2. Meetings

9. Meeting Laws.

All meetings of the Board of Governors and its committees shall be conducted in conformance with the Bagley-Keene Open Meeting Act (Government Code sections 11120-11132 [see Appendix for text]).

10. Regular Meetings.

The schedule and location of regular meetings for each calendar year shall be recommended by the Chancellor and shall be adopted by the Board of Governors no later than the last regular meeting of the preceding calendar year.

11. Special Meetings.

The President, the Chancellor, or a majority of the members of the Board of Governors appointed by the Governor and authorized to serve may call a special meeting of the Board at any time. Notice of the time, place, and purpose of the special meeting shall be given to each member of the Board by letter or telegram addressed to the member at the last known residence or place of business in time to reach the member at least ten days before the time appointed for the meeting. Members of the public shall be notified of the meeting consistent with the requirements of Government Code section 11125.4. Special meetings with less than ten days' notice may only be held under limited circumstances as authorized pursuant to Government Code sections 11125.4 and 11125.5.

No business other than that in the notice of the special meeting shall be considered at such meetings.

12. Public Meetings and Closed Sessions.

All meetings of the Board of Governors shall be open to the public except closed sessions.

Closed sessions may be called by the President, or by the President at the request of eight members of the Board.

Closed sessions may be held only during a regular or special meeting and require the same advance notice as any regular or special meeting of the Board.

Closed sessions shall be limited to matters of personnel, acceptance of gifts where the donor requests confidentiality, pending litigation, and other matters authorized by law, including section 11126 of the Government Code.

Deliberations in closed session shall be strictly limited to the specific matter for which the closed session was called.

Legal counsel shall attend closed sessions, is designated as the clerk of such sessions as required by section 11126.1 of the Government Code, and shall be responsible for all legal notice, record keeping and reporting requirements specified by law.

Consistent with Government Code section 11126.3, after any closed session, the Board shall reconvene into open session prior to adjournment and shall make any reports, provide any documentation, and make any other disclosures required by Government Code section 11125.2 of action taken in the closed session.

13. Notice of Meetings.

The Chancellor shall give notice of all meetings at least ten days in advance of meetings of the Board in the manner required by Government Code section 11125, except when a shorter notice period is permitted by law as provided in section 11.

Notice shall be posted on the Internet and given to the members of the Board and to any person or organization requesting such notice in writing to the Chancellor.

Notice shall include the time, date, and place of the meeting, the items of business to be transacted or discussed, and at least a brief description of each item. Notice shall also include the Internet site where the notice is posted as well as the name, address, and telephone number of at least one staff person who can provide further information prior to the meeting. After the notice is published, items on which action will be taken may only be added to the agenda as provided in Government Code section 11125.3.

The notice and agenda materials shall be made available in alternate formats accessible to persons with disabilities and shall include information regarding how, to whom, and by when a request for any disability-related modification or accommodation may be made.

In the case of a meeting conducted by teleconference, the notice shall identify the location from which any Board member will be participating and indicate that members of the public shall have an opportunity to address the Board directly pursuant to Government Code section 11125.7 at each such location.

Article 3. Full Board Business

20. Presiding Officer.

The President shall preside at all meetings of the Board of Governors. In the event the President is absent or unable to preside, the Vice President shall preside. In the absence or inability to preside of both the President and Vice President, the members of the Board present shall select for that meeting a Chairperson Pro Tempore who may be authorized to act in the place of the President and Vice President.

21. Quorum.

A majority of those members appointed by the Governor and authorized to serve shall constitute a quorum to transact business.

In the event of the lack of a quorum at the beginning of a regular or any scheduled meeting, the President, Vice President, any member of the Board, or the Chancellor, in that order, shall

adjourn the meeting to another date. The Chancellor shall employ reasonable means to notify the absent members.

In the event a quorum is initially present but later is lost, the Board President or other presiding officer shall have the authority to continue the meeting; however, the Board shall not take any action as long as there is a lack of a quorum.

22. Agenda.

The President shall develop the agenda of business in consultation with the Chancellor, and in accordance with section 13 of these Procedures, for all regular and special meetings. Any Board member can request that an item be placed on the agenda. The request shall be made to the President, who in turn shall determine when and where it shall be placed on a future Board agenda.

24. Recommendations of Action and Resolutions.

Recommendations for Board action which are developed through Consultation shall be prepared and recommended by the Chancellor to the Board and its committees.

Committees of the Board may develop recommendations or resolutions that can be presented to the Board for consideration and disposition.

Any member of the Board may propose to the President that a resolution be placed on the agenda for the consideration and disposition of the Board. Upon approval of the President, a Board member proposing such a resolution shall work with the Chancellor or the Chancellor's designee in preparing the text of the resolution for inclusion in the agenda.

36. Official Actions.

All official actions of the Board of Governors shall require the affirmative vote of a majority of the members of the full Board in attendance and voting who are not otherwise disqualified from voting on a particular action because of a conflict of interest. All votes of every member shall be recorded.

A member shall be disqualified from voting with respect to any action of the Board of Governors which:

- (a) would foreseeably affect, either directly or indirectly, any financial interest of the member in a manner prohibited by state conflict of interest laws; or
- (b) would have the sole or exclusive effect of benefiting or harming the community college district of which the member is either an employee, a trustee, or a student, or would directly affect the salary of such a member.

38. Consent Calendar.

The Chancellor, in accordance with section 22 of these Procedures, may develop a "consent calendar" for selected Board actions. Items placed on the consent calendar will be voted on by a single Board action, without staff or public presentations, and without Board discussion.

Any Board member may remove an item from consent by informing the President of this intent. A member of the public may request that an item be removed from consent by filling out a request to testify in accordance with section 41 of these Procedures, or by asking a Board member to remove an item from consent. The item shall then be removed from consent if any Board member exercises his or her authority to remove an item from consent.

40. Public Hearings.

When a public hearing item is reached on the agenda, the President shall declare a public hearing. Public hearings conducted by the Board shall conform to all applicable provisions of law pertaining to notice, conduct and reporting of such hearings. A public hearing before the Board, which for any reason cannot be completed at the time and place originally advertised and noticed, may be adjourned to a later date and the announcement of such adjournment meeting shall constitute a sufficient notice to all parties concerned.

41. Public Presentations to the Board.

A member of the public has the right to attend a meeting without having to register or give other information as a condition of his or her attendance.

Persons wishing to make an oral presentation to the Board or one of its committees shall observe the following procedure:

(a) A written request to address the Board or one of its committees shall be made to the Chancellor on a form provided by him or her. The Chancellor shall present the request to the Board or a committee at the meeting to be addressed.

(b) The request shall include the name and address of the person requesting to speak, the name of the organization or group represented, if any, and a statement of the subject to be presented.

(c) The proposed speaker may speak only if and when recognized by the President or by the committee chairperson.

(d) Said presentation shall be limited to three minutes unless such limit is modified or waived by the President or by the committee chairperson.

(e) After the hearing is closed, or after a motion is made by the Board, no person shall address the Board without first securing the permission of the Board.

In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the removal of those persons willfully interrupting the meeting, the President of the Board may order the meeting room cleared and continue in session.

Any person attending a public meeting of the Board shall have the right to record or broadcast the proceedings in the absence of a finding by the Board that such recording would result in noise, illumination, or obstruction of view which constitutes, or would constitute, a persistent disruption of the proceedings.

42. Minutes and Records of Proceedings.

Minutes of the Board shall be prepared and maintained by the Chancellor.

With respect to matters requiring public hearings, the Board secretary shall make a permanent written record of the hearing, which shall include the motions made by the members, the vote thereon and a digest of the testimony and comments given at the hearing, and all such records shall be kept in the office of the Chancellor.

The President and the Chancellor shall certify resolutions adopted by the Board of Governors. The President and the Chancellor shall certify and sign the official minutes of the Board.

All meetings of the Board shall, to the extent possible, be tape recorded. Any person may request to hear any portion thereof at a time and place determined by the Chancellor.

Article 6. Committees

50. Standing Committees.

The following are standing committees of the Board:

Executive Committee

Committee on Budget and Finance

Committee on Legislation

Joint Advisory Committee on Career Technical Education

CSU Doctoral Program Joint Standing Committee

Foundation for California Community Colleges Committee

Veterans Committee

Economic and Workforce Development Program Advisory Committee

The members of the Executive Committee shall be the President, Vice President, Past President (if still a member of the Board of Governors), the CPEC representative and the Chair of the Committee on Budget and Finance.

Each standing committee shall be subject to and shall conduct its business in accordance with the provisions of this chapter.

52. Authority to Act.

Any Board member can request an item be assigned to a Board committee for its review and recommendation to the full Board of Governors. The request shall be made to the President of the Board, who in turn shall assign it to the appropriate Board committee.

The Chancellor can request that an item be assigned to a Board committee for its review and recommendation. The request shall be made to the President, who in turn shall assign it to the appropriate Board committee. A member of the Chancellor's staff who is assigned as the lead staff person to support a committee can recommend to the committee chairperson that an item be assigned to that particular committee. The committee chairperson shall inform the President, who shall assign a time for reporting the item to the Board of Governors. All other staff recommendations regarding matters to be assigned to Board committees shall be made to the Chancellor.

Unless otherwise specifically delegated, the authority and duty of each committee shall be only to consider and to make recommendations to the Board on matters assigned to the committee.

A majority of the whole committee shall constitute a quorum. The act of the majority of the members present at the meeting at which a quorum is present shall be the act of the committee. If no quorum exists, those present may make recommendations to the Board, noting the number of people in attendance.

54. Statement of Legislative Principles.

The Board shall adopt and periodically review a Statement of Legislative Principles which shall provide the basic parameters guiding the Chancellor in taking positions on matters pending before the Legislature, the Governor, the Congress, and the President pursuant to section 317.

55. Minutes.

Minutes of committee meetings shall be taken and provided to all members of the Board.

Article 7. Officers

60. Officers.

Officers of the Board of Governors shall be the President, the Vice President, the immediate Past President (if still a member of the Board of Governors), and the representative and alternate to the California Postsecondary Education Commission.

Officers shall be elected as prescribed in section 62 and take office as the last order of business of the last regular meeting of the calendar year. They shall serve one-year terms.

The President and Vice President may be elected for no more than two consecutive terms.

The Chancellor shall serve as the Chief Executive Officer of the Board of Governors.

62. Nominations and Election.

At the next to the last regular meeting of the calendar year the President shall solicit from other Board members nominations for President, Vice President, and the representative and alternate of the California Postsecondary Education Commission. A Board member may be nominated for more than one office. Additional nominations may be made in writing to the Chancellor, or from the floor, provided that any such nomination must be made prior to the conduct of the election for the particular office occurring at the last regular meeting of the year.

Election for Board officers shall be conducted at the last regular meeting of the year.

If the member elected President leaves the Board for any reason, the Vice President shall assume the office of President until the next regular election. In the event a vacancy occurs in any other office, the President shall make an interim appointment from the remaining Board of Governors' members. A member appointed to fill a vacancy shall hold office only for the balance of the unexpired term.

Article 8. Chancellor and Staff

72. Evaluation of the Chancellor.

The Board shall annually evaluate the performance of the Chancellor.

73. Board and Staff Communications.

Except as provided herein, a member of the Board of Governors may discuss community college business with any member or members of the Chancellor's staff deemed appropriate by the Board member; and a member of the Chancellor's staff may discuss community college business with any Board member or members. A Board member shall not request staff work beyond a nominal nature without the concurrence of the President or Chancellor. Also, unless formally adopted by the Board of Governors, neither Board members nor staff shall represent positions discussed with staff or Board members as positions of the Board of Governors.

74. Travel by Chancellor.

Consistent with the regulations of the Department of Personnel Administration, the Chancellor may claim reimbursement for actual travel costs, in excess of normal state reimbursement rates, if the President determines that any of the following circumstances exist:

- (1) there is an emergency;
- (2) lodging is not available at the state rate;
- (3) paying the higher rate would be cost-effective; or
- (4) the Chancellor is attending a non-state sponsored conference or convention and the lodging rate is contracted for in connection with that event.

Chapter 2. Procedures for Adopting Regulations of the Board of Governors

200. Scope of Authority.

The Board of Governors shall, by resolution, adopt regulations which are binding on California community college districts as are required by the Legislature or which make specific the laws enforced or administered by the Board of Governors. Neither the Board of Governors nor the Chancellor shall have authority to administer or enforce any regulation, as defined by section 202(d), unless that regulation is adopted in accordance with the provisions of this Chapter. Except as expressly provided herein, all regulations shall be adopted in accordance with the provisions of this Chapter.

202. Definitions.

For the purposes of this Chapter, the following definitions shall apply:

- (a) "Changes without regulatory effect" includes:
 - (1) changes such as renumbering, reordering, or relocating an existing regulation, provided that the changes do not alter the requirements, rights, responsibilities, conditions, or prescriptions contained in existing regulations; or
 - (2) removal from the regulations of any existing sections for which the statutory or constitutional authority has been repealed; or

(3) changes in structure, syntax, reference, grammar or other changes which do not alter the requirements, rights, responsibilities, conditions or prescriptions contained in existing regulations; or

(4) changes in the “authority” or “reference” citations.

(b) “Emergency” means any disruption of the public peace, health and safety or general welfare which requires immediate regulatory action.

(c) An “interested party or individual” means every entity or person who has filed a written request for notice of regulatory actions with the Board of Governors.

(d) “Regulation” means any rule of performance or prescriptive standard of general application adopted by the Board of Governors through the procedures set forth herein to implement or make specific the laws enforced or administered by the Board of Governors. “Regulation” does not mean nor include procedures or standards relating only to the internal management of the Office of the Chancellor, legal rulings of counsel, forms prescribed by the Board, or explanatory statements issued by the Board or the Chancellor to the districts. “Regulation” does not include changes without regulatory effect.

(e) “Regulatory action” includes the adoption, amendment, or repeal of a regulation.

204. Standards of Regulations.

All regulations shall adhere to standards of necessity, authority, clarity, consistency, reference and nonduplication as follows:

(a) The “necessity” standard is met in either of the following circumstances:

(1) The specific provision or the substance of the provision is mandated by a California statute or other applicable law; or

(2) The regulation clarifies a system issue or administrative requirement.

(b) “Authority” means the provision of law which permits or obligates the Board of Governors to adopt, amend, or repeal a regulation.

(c) “Clarity” means that a regulation is written so that the meaning will be easily understood by those persons directly affected by it.

(d) “Consistency” means being in harmony with, and not in conflict with or contradictory to, existing statutes, court decisions, or other provisions of law.

(e) “Reference” means the statute, court decision, or other provision of law which the Board of Governors implements, interprets, or makes specific by adopting, amending, or repealing a regulation.

(f) “Nonduplication” means that a regulation does not serve the same purpose as a state or federal statute or another regulation. This standard shall not prohibit the Board of Governors from including portions of relevant statutes or regulations for clarity.

206. Notice and Comment.

All regulatory actions, excepting emergency actions and nonsubstantial or technical changes, shall be adopted following notice and an opportunity for comment.

(a) Notice.

(1) Written notice of a proposed regulatory action shall be provided to each community college district and to all other interested parties and individuals, including the educational policy and fiscal committees of the Legislature and the Department of Finance, at least 45 days in advance of adoption.

(2) Notice will be deemed provided when a copy of the proposed action is mailed to the parties specified in (1) above. Failure to mail notice to any interested party or individual shall not invalidate any action taken by the Board of Governors.

(3) The notice shall include the following:

(A) A copy, or instructions for obtaining a copy, of the proposed regulation to be adopted, amended or repealed. The copy shall clearly indicate any changes proposed to existing regulations.

(B) Reference to the authority under which a regulation is proposed and a brief statement of the need for the proposed action.

(C) A determination as to whether the regulation imposes a mandate on community college districts.

(D) An estimate, prepared in accordance with instructions adopted by the Department of Finance, of the effect of the proposed regulation with regard to the costs or savings to any state agency, the cost of any local program as governed by part 7 (commencing with section 17500) of division 4 of title 2 of the Government Code, any other costs or savings of local agencies, and the costs or savings in federal funding provided to state agencies.

(E) A statement of the time and place of the Board of Governors' hearing on the proposed regulatory action and the projected date of adoption.

(F) The name and telephone number of the person to whom inquiries concerning the proposed regulatory action may be directed.

(G) The date by which written comments must be received for the comments to be considered before the adoption of the regulatory action.

(b) Comment.

(1) The 45-day period commencing with the mailing of the notice of the proposed action shall be the comment period. In cases where the 45-day period has run and the 15-day comment period set forth in subdivision (c) remains open, the 45-day period for comments on the proposed action will be closed, and comment shall only be open with regard to the change to the proposed regulatory action set forth in the renote. During this period, any district or organization, through its authorized representative, or any individual may present to the Board of Governors written statements or arguments concerning the proposed action. Any challenge to a proposed regulatory action which is based on the application of a regulatory standard must clearly identify the standard being challenged and specify the perceived defect.

(2) During the comment period, the Board of Governors shall hold at least one hearing for receipt of comments, both written and oral, concerning the proposed action.

(3) Prior to the adoption, amendment or repeal of the regulations, the Board of Governors shall consider and respond to all written and oral comments received during the comment period.

(c) Renote.

(1) After the public hearing on the proposed regulatory action, if the Chancellor or his or her designee determines that a change sufficiently related to the text of the proposed regulatory action should be made prior to adoption by the Board of Governors, written notice of the change to the proposed regulatory action shall be provided to each community college district and to all other interested parties and individuals, including the educational policy and fiscal committees of the Legislature and the Department of Finance, at least 15 days in advance of adoption.

(2) A change is "sufficiently related" if a college official or member of the public familiar with the community college system could reasonably anticipate that the proposed change might be considered.

(3) Notice will be deemed provided when a copy of the change to the proposed action is mailed to the parties specified in (1) above. Failure to mail notice to any interested party or individual shall not invalidate any action taken by the Board of Governors.

(4) The notice shall include a copy, or instructions for obtaining a copy, of the changes to the proposed regulation to be adopted, amended or repealed. The copy shall clearly indicate any changes proposed to existing regulations.

(5) The notice shall also include the other items specified in subdivision (a)(3), except that a new determination need not be made of whether the regulation imposes a mandate and a new estimate of the costs or savings associated with the regulation need not be prepared unless the changes to the proposed regulation alter the determinations made in connection with the original notice.

(6) The 15-day period commencing with the mailing of the notice of the change to the proposed regulatory action shall be the comment period for the change to the original proposal. During this period, any district or organization, through its authorized representative, or any individual may present to the Board of Governors written statements or arguments concerning the proposed action. If the original 45-day comment period in subdivision (b) has closed, comments will only be accepted concerning the change outlined in the renote. Any challenge to a change to a proposed regulatory action which is based on the application of a regulatory standard must clearly identify the standard being challenged and specify the perceived defect.

(7) Prior to the adoption, amendment or repeal of the regulations, the Board of Governors shall consider and respond to all written and oral comments received during the additional comment period.

(d) Emergency Exception. If the Board of Governors makes a finding that regulatory action is necessary for the immediate preservation of the public peace, health and safety or general welfare, the action may be adopted as an emergency action.

(1) The finding must include a description of specific facts showing the need for immediate action.

(2) The emergency action shall remain in effect for a period designated by the Board of Governors, but in no event for a period of more than 180 days unless, during that period, the Board of Governors complies with the notice and comment requirements of these procedures.

(e) As to any regulation which the Department of Finance determines would create a state-mandated local program cost, the Board of Governors shall not adopt the regulation until the Department of Finance has certified to the Board of Governors and to the Legislature that a source of funds is available to reimburse that cost.

208. Effective Date.

Regulatory actions shall take effect as follows:

(a) Regulatory actions of the Board of Governors shall become effective 30 days after adoption, or at a later date if expressly provided by resolution of the Board of Governors, except as provided herein:

(1) Emergency regulations shall take effect immediately upon adoption.

(2) The effective date for a regulation shall be suspended if, within the period specified by resolution of the Board of Governors, at least two-thirds of the community college district governing boards vote in open session to disapprove the regulation. Written verification of governing board disapproval must state the basis for the disapproval and include the text of any governing board resolution related to the disapproval. Verification of disapproval must be sent to the Board of Governors, postmarked no later than the day specified by resolution as the effective date, to be considered in suspending the effective date.

(A) When any regulatory action is suspended under this paragraph, the Board of Governors shall provide 45 additional days for review and comment, and, during that time shall hold at least one hearing on the regulation.

(B) After the additional comment days and hearing, the Board of Governors may do any of the following:

(i) Reject or withdraw the regulation.

(ii) Substantially amend the regulation to address the concerns raised during the additional review period, and then adopt the revised regulation. The adopted regulation shall be treated as a newly adopted regulation, and shall go into effect in accordance with this procedure.

(iii) Readopt the regulation as originally adopted, or with those nonsubstantive, technical changes deemed necessary to clarify the intent of the original regulation. If the Board of Governors determines to readopt a regulation, with or without technical amendments, it shall also adopt a written declaration and determination regarding the specific state interest it has found necessary to protect by means of the specific language or requirements of the regulation. A readopted regulation may then be challenged pursuant to existing law in a court of competent jurisdiction, and shall not be subject to further appeal within the California Community Colleges.

(b) Once effective, regulatory actions are subject to administration and enforcement by the Board of Governors.

210. Regulation File.

The Board of Governors shall maintain a file on each proposed regulatory action to serve as a record of the process. The file shall include:

(a) A copy of the written notice of proposed regulatory action.

(b) A copy of any written comments received within the comment period and any written Board of Governors response to comments received during the comment period.

(c) A transcript, recording or minutes of any public hearing held to consider the adoption, amendment, or repeal of a regulation.

(d) Any additional information which the Board of Governors deems appropriate to memorialize the process of the regulatory action taken.

The regulation file shall be available to the public as a public document in accordance with the Public Records Act (Government Code sections 6250-6265).

212. Challenge to Existing Regulations.

Any district governing board or other interested party may, in writing, challenge any existing regulation or propose a new regulation to the Board of Governors. Any challenge to a regulatory standard must identify the standard being questioned and specify the perceived defect.

The Chancellor shall, within 45 days, respond in writing to any such challenge or proposal; and a copy of said response shall be forwarded to the Board of Governors. The Chancellor's response shall become final 45 days after transmittal.

(d) The Chancellor shall communicate Board policy and positions in carrying out the function of consultation and in otherwise performing the role of Chancellor.

(3) Time restraints make it unfeasible; or

(4) The bill is consistent with existing Board policies. The Chancellor shall provide the Consultation Council a statement explaining why the position is consistent and schedule the item for the next Consultation Council meeting.

(d) For any relevant bill or amendment to a bill that does not meet the criteria described in section (c), the Chancellor shall prepare an analysis, seek the advice of the Consultation Council, and recommend to the Board a position on the bill.

(e) The Chancellor shall promptly inform the Board of Governors and the Consultation Council of any positions taken. Any positions taken will be reported in an Agenda item at the next Board of Governors meeting.

(f) The Chancellor shall provide for regular review and evaluation of this section. (a) Except as provided in subsection (b), whenever the power to contract is invested in the Board, or when, in the judgment of the Chancellor, such contracts are expressly or impliedly authorized to fulfill responsibilities or authorities vested in the Office of the Chancellor, the Chancellor is authorized in the name of the Board of Governors to enter into such contracts.

(b) The Chancellor shall secure Board approval before entering into any contract:

(1) In excess of \$100,000; or

(2) Over three years in duration; or

(3) With respect to consulting services, in excess of \$50,000.

The requirement for Board approval shall apply to any amendment of a contract which results in the original contract exceeding the specified limits, as well as the amendment of a contract where the amendment itself exceeds the specified limits. Under circumstances when the need to contract was not foreseeable, and when delaying approval of the contract until the next

Board meeting would jeopardize the contract or frustrate its purpose, the Chancellor shall have the authority to enter into contracts in excess of the limits specified in this subsection. Before entering into such contracts, however, the Chancellor shall consult with the President of the Board.

(c) In securing the approval of contracts by the Board pursuant to subsection (b), the Chancellor shall apply the following procedures:

(1) In determining the nature, extent and need for any such contract, the Chancellor shall provide a summary of the Request for Proposal (RFP), Invitation for Bid (IFB), or other summary of the purpose and need for a contract to the Board of Governors prior to publicly releasing any such RFP or IFB, or prior to making any informal commitment to contract. The Chancellor may proceed with the release of the RFP, IFB, or other contract negotiations, unless the Board President, with or without the advice of any appropriate Board Committee designated by the President, directs the Chancellor to withhold action within a 10 day period from the date the summary is provided.

(2) In developing language for such contracts, the Chancellor shall include a provision which allows any aggrieved bidder on an RFP or IFB to protest the awarding of a contract to the Chancellor. The Chancellor shall inform the Board of any such protests, including the results of such protests. This remedy shall be in addition to the bidder's right to protest the matter to the Department of General Services.

(3) The Chancellor shall ensure that each panel of evaluators who score proposals is made up of staff from more ~~that~~ than one division in the Chancellor's Office, including outside evaluators as appropriate; and the Chancellor shall take such other steps as necessary to ensure that evaluations and scoring are objective and fair.

(4) In requesting approval of said contracts, the Chancellor shall, at the time of distributing each regular meeting agenda to the Board of Governors, include a summary of contracts for Board approval. The summary for each contract shall indicate: the purpose of the contract; the amount of the contract; the time for performance of the contract, including whether it was advertised as a multi-year contract; the number of proposals received or whether the contract is a sole source contract; the number of proposals which met the minimum score for cost opening; and the party awarded the contract.

The provisions of subparagraphs (1) through (3) above shall not apply to interagency agreements with other state agencies, and other agreements necessary for the agency to receive public funds.

(d) The authorization contained in subsection (a) includes agreements, leases, contracts, and other documents, including but not limited to: service agreements, insurance agreements, fiscal, budgetary, and personnel documents, requests, contracts for the purchase of apparatus, furniture, equipment, supplies and books, as well as contracts entered into as necessary to receive federal funds allocated to the California Community Colleges, all within the limits of fiscal ability and sound budgetary controls and subject to such policies as may be established by the Board. (EC § 70901(b)(5).)

(e) As a condition of receiving funding from the California Community College Chancellor's Office, educational materials created using those funds should be made available by the grantee under the Creative Commons Attribution License (CC BY) with the following symbol included.

319. Grants.

(a) Except as provided in subsection (b), whenever the power to enter into a grant is invested in the Board, or when, in the judgment of the Chancellor, a grant is expressly or impliedly authorized to fulfill responsibilities or authorities vested in the Office of the Chancellor, the Chancellor shall have the authority to enter into such grants.

(b) The Chancellor shall secure Board approval before entering into any grant:

- (1) In excess of \$100,000; or
- (2) Over three years in duration.

The requirement for Board approval shall apply to any amendment of a grant which results in the original grant exceeding the specified limits, as well as the amendment of a grant where the amendment itself exceeds the specified limits. Under circumstances when the need to enter into a grant was not foreseeable, and when delaying approval of the grant until the next Board meeting would jeopardize the grant or frustrate its purpose, the Chancellor shall have the authority to enter into grants in excess of the limits specified in this subsection. Before entering into such grants, however, the Chancellor shall consult with the President of the Board.

(c) Prior to submitting grants to the Board for approval pursuant to subsection (b), the Chancellor shall either:

(1) present to the Board for its review and approval an expenditure plan outlining the nature, extent and need for any such grants; or

(2) provide a summary of the Request for Application (RFA) or other summary of the purpose and need for a grant to the Board of Governors prior to publicly releasing any such RFA or prior to making any informal commitment to award a grant. The Chancellor may proceed with the release of the RFA unless the Board President, with or without the advice of any appropriate Board Committee designated by the President, directs the Chancellor to withhold action within a 10 day period from the date the summary is provided.

(d) All grants awarded by the Board of Governors or the Chancellor on or after January 1, 1996, shall be awarded through competitive processes or through allocation formulas reviewed and approved by the Board of Governors, except that:

(1) Grants may be awarded competitively within regions.

(2) Grants for regional or statewide coordination activities for the Extended Opportunity Programs and Services (EOPS), Disabled Students Programs and Services (DSPS), Matriculation, and Economic Development programs need not be competitively bid.

(3) Where there are conditions beyond the control of the Chancellor which limit competition, such as matching fund requirements or other agencies being required to select grantees, the Chancellor, in consultation with the President of the Board and the Chairperson of the appropriate committee, shall have authority to award grants without competition.

(e) Panels evaluating or scoring grant proposals will include or be comprised of outside readers as appropriate and will be comprised so as to assure objectivity and prevent conflicts of interest. In the event that outside readers are not used, the evaluation panel shall be comprised of

staff from more than one division in the Chancellor's Office. The Chancellor shall ensure that readers are appropriately trained with respect to the process for review of grant applications.

(f) Grants for the performance of functions which are ongoing in nature will be awarded in cycles of between one and five years in length. In advertising a grant for an ongoing function, district personnel will be apprised of the length of the cycle and the funding anticipated to be available for the duration of the project; provided however, that nothing in this section shall be construed to preclude subsequent adjustment of actual funding levels to reflect unforeseen circumstances. Districts shall be further informed that continuance of the grant will depend on year-to-year funding, and continued satisfactory performance. The Chancellor shall have the authority to exempt grants described in subsection (d)(2) or those awarded under the Mathematics, Engineering, and Science Achievement (MESA) program, the Middle College High School program, or the Puente project from the duration limitations imposed by this paragraph.

(g) As a condition of receiving funding from the California Community College Chancellor's Office, educational materials created using those funds should be made available by the grantee under the Creative Commons Attribution License (CC BY) with the following symbol included:

(h) A district which, prior to January 1, 1996, has been awarded a grant on a non-competitive basis for the performance of an ongoing function may continue to be awarded that grant, at the discretion of the Chancellor, for a period of up to three additional fiscal years. Retention of the grant shall depend on continued availability of funds and satisfactory performance. At the conclusion of the term, the grant for the ongoing function shall be awarded on a competitive basis.

(i) To the extent that a grantee contracts with a private or public entity to perform certain parts of the grant, the grantee shall be required to disclose the intended purpose and amount of such subcontracting, shall agree to follow locally applicable competitive bidding processes in doing such subcontracting, and shall agree to name the subcontractors chosen.

(j) The procedures specified above shall not apply to grants which are distributed on an allocation formula basis which has been reviewed and approved by the Board of Governors.

While the Board will make every attempt to accept recommendations of the Chancellor developed through Consultation, when rejecting or adopting a different recommendation, the Board of Governors will provide a clear and substantive rationale which the Chancellor shall report back to the Consultation Council.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(D) All votes taken during a teleconferenced meeting shall be by rollcall.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(2) For the purposes of this subdivision, "teleconference" means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video.

No person shall be required, as a condition to attendance at a meeting of a state body, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

11124.1. Recording of proceedings; inspection of recording

(a) Any person attending an open and public meeting of the state body shall have the right to record the proceedings with an audio or video tape recorder or a still or motion picture camera in the absence of a reasonable finding by the state body that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any tape or film record of an open and public meeting made for whatever purpose by or at the direction of the state body shall be subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), but may be erased or destroyed 30 days after the taping or recording. 11125. Notice of meeting

(a) The state body shall provide notice of its meeting to any person who requests that notice in writing. Notice shall be given and also made available on the Internet at least 10 days in advance of the meeting, and shall include the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting. The written notice shall additionally include the address of the Internet site where notices required by this article are made available.

(b) The notice of a meeting of a body that is a state body shall include a specific agenda for the meeting, containing a brief description of the items of business to be transacted or discussed in either open or closed session. A brief general description of an item generally need not exceed 20 words. A description of an item to be transacted or discussed in closed session shall include a citation of the specific statutory authority under which a closed session is being held. No item

shall be added to the agenda subsequent to the provision of this notice, unless otherwise permitted by this article.

(c) Notice of a meeting of a state body that complies with this section shall also constitute notice of a meeting of an advisory body of that state body, provided that the business to be discussed by the advisory body is covered by the notice of the meeting of the state body, provided that the specific time and place of the advisory body's meeting is announced during the open and public state body's meeting, and provided that the advisory body's meeting is conducted within a reasonable time of, and nearby, the meeting of the state body.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body's discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

(f) The notice shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by any person with a disability. The notice shall include information regarding how, to whom, and by when a request for any disability-related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires these aids or services in order to participate in the public meeting.

11125.1. Agendas and other “writings” as public records; inspection; closed sessions

(a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by the Franchise Tax Board staff or individual members to members of the state body prior to or during a meeting shall be:

- (1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125.

(3) Made available on the Internet.

(d) Prior to the State Board of Equalization taking final action on any item that does not involve a named tax or fee payer, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by board staff or individual members to members of the state body prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request or have requested copies of these writings.

(3) Made available on the Internet.

(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6253, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public's right to inspect any record required to be disclosed by that act, or to limit the public's right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) "Writing" for purposes of this section means "writing" as defined under Section 6252.

11125.2. Public report of action taken regarding public employee; closed sessions

Any state body shall report publicly at a subsequent public meeting any action taken, and any roll call vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

11125.3. Items not appearing on posted agenda; conditions for taking action

(a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:

(1) Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made

available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

11125.4. Authorized purposes for special meetings; notice; required finding regarding hardship or need to protect public interest

(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes where compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

(1) To consider "pending litigation" as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.

(4) To consider disciplinary action involving a state officer or employee.

(8) To consider its response to a confidential final draft audit report as permitted by Section 11126.2.

(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall deliver the notice in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to be transacted. The written notice shall additionally specify the address of the Internet Web site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are

present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

11125.5. Emergency meetings; notification

(a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.

(b) For purposes of this section, "emergency situation" means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

- (1) Work stoppage or other activity that severely impairs public health or safety, or both.
- (2) Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the roll call vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.

11125.6. Emergency meetings; Fish and Game Commission

(a) An emergency meeting may be called at any time by the president of the Fish and Game Commission or by a majority of the members of the commission to consider an appeal of a closure of or restriction in a fishery adopted pursuant to Section 7710 of the Fish and Game Code. In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of an established fishery, the commission may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4 if the delay necessitated by providing the 10-day notice of a public meeting required by Section 11125 or the 48-hour notice required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the people of the state or significantly adversely impact the sustainability of a fishery managed by the state.

(b) At the commencement of an emergency meeting called pursuant to this section, the commission shall make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 or 48 hours prior to a meeting as required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the people of the state or significantly adversely

impact the sustainability of a fishery managed by the state. The finding shall set forth the specific facts that constitute the impact to the economic benefits of the fishery or the sustainability of the fishery. The finding shall be adopted by a vote of at least four members of the commission, or, if less than four of the members are present, a unanimous vote of those members present. Failure to adopt the finding shall terminate the meeting.

(c) Newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the commission, or a designee thereof, one hour prior to the emergency meeting by telephone.

(d) The minutes of an emergency meeting called pursuant to this section, a list of persons who the president of the commission, or a designee thereof, notified or attempted to notify, a copy of the roll call vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

11125.7. Opportunity for public to address state body; regulation by state body

(a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(d) This section is not applicable to closed sessions held pursuant to Section 11126.

(e) This section is not applicable to decisions regarding proceedings held pursuant to Chapter 5 (commencing with Section 11500), relating to administrative adjudication, or to the conduct of those proceedings.

(f) This section is not applicable to hearings conducted by the California Victim Compensation and Government Claims Board pursuant to Sections 13963 and 13963.1.

(g) This section is not applicable to agenda items that involve decisions of the Public Utilities Commission regarding adjudicatory hearings held pursuant to Chapter 9 (commencing with Section 1701) of Part 1 of Division 1 of the Public Utilities Code. For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission's consideration of the item.

11125.8. Hearing on application for indemnification; identification of crime victim; disclosure of nature of hearing

(a) Notwithstanding Section 11131.5, in any hearing that the California Victim Compensation and Government Claims Board conducts pursuant to Section 13963.1 and that the applicant or applicant's representative does not request be open to the public, no notice, agenda, announcement, or report required under this article need identify the applicant.

(b) In any hearing that the board conducts pursuant to Section 13963.1 and that the applicant or applicant's representative does not request be open to the public, the board shall disclose that the hearing is being held pursuant to Section 13963.1. That disclosure shall be deemed to satisfy the requirements of subdivision (a) of Section 11126.3.

11125.9. Regional water quality control boards; notification guidelines

Regional water quality control boards shall comply with the notification guidelines in Section 11125 and, in addition, shall do both of the following:

(a) Notify, in writing, all clerks of the city councils and county boards of supervisors within the regional board's jurisdiction of any and all board hearings at least 10 days prior to the hearing.

Notification shall include an agenda for the meeting with contents as described in subdivision (b) of Section 11125 as well as the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting. Each clerk, upon receipt of the notification of a board hearing, shall distribute the notice to all members of the respective city council or board of supervisors within the regional board's jurisdiction.

(b) Notify, in writing, all newspapers with a circulation rate of at least 10,000 within the regional board's jurisdiction of any and all board hearings, at least 10 days prior to the hearing. Notification shall include an agenda for the meeting with contents as described in subdivision (b) of Section 11125 as well as the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting.

11126. Closed sessions

(a) (1) Nothing in this article shall be construed to prevent a state body from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against that employee by another person or employee unless the employee requests a public hearing.

(2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of his or her right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. If notice is not given, any disciplinary or other action taken against any employee at the closed session shall be null and void.

(3) The state body also may exclude from any public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated by the state body.

(2) Prevent an advisory body of a state body that administers the licensing of persons engaged in businesses or professions from conducting a closed session to discuss matters that the advisory body has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, provided the advisory body does not include a quorum of the members of the state body it advises. Those matters may include review of an applicant's qualifications for licensure and an inquiry specifically related to the state body's enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

(3) Prohibit a state body from holding a closed session to deliberate on a decision to be reached in a proceeding required to be conducted pursuant to Chapter 5 (commencing with Section 11500) or similar provisions of law.

(4) Grant a right to enter any correctional institution or the grounds of a correctional institution where that right is not otherwise granted by law, nor shall anything in this article be construed to prevent a state body from holding a closed session when considering and acting upon the determination of a term, parole, or release of any individual or other disposition of an individual case, or if public disclosure of the subjects under discussion or consideration is expressly prohibited by statute.

(5) Prevent any closed session to consider the conferring of honorary degrees, or gifts, donations, and bequests that the donor or proposed donor has requested in writing to be kept confidential.

(C) For purposes of this paragraph, the negotiator may be a member of the state body.

(D) For purposes of this paragraph, "lease" includes renewal or renegotiation of a lease.

(E) Nothing in this paragraph shall preclude a state body from holding a closed session for discussions regarding eminent domain proceedings pursuant to subdivision (e).

(8) Prevent the California Postsecondary Education Commission from holding closed sessions to consider matters pertaining to the appointment or termination of the Director of the California Postsecondary Education Commission.

(9) Prevent the Council for Private Postsecondary and Vocational Education from holding closed sessions to consider matters pertaining to the appointment or termination of the Executive Director of the Council for Private Postsecondary and Vocational Education.

(10) Prevent the Franchise Tax Board from holding closed sessions for the purpose of discussion of confidential tax returns or information the public disclosure of which is prohibited by law, or from considering matters pertaining to the appointment or removal of the Executive Officer of the Franchise Tax Board.

(16) Prevent a state body that invests retirement, pension, or endowment funds from holding closed sessions when considering investment decisions. For purposes of consideration of shareholder voting on corporate stocks held by the state body, closed sessions for the purposes of voting may be held only with respect to election of corporate directors, election of independent auditors, and other financial issues that could have a material effect on the net income of the corporation. For the purpose of real property investment decisions that may be considered in a closed session pursuant to this paragraph, a state body shall also be exempt from the provisions of paragraph (7) relating to the identification of real properties prior to the closed session.

(17) Prevent a state body, or boards, commissions, administrative officers, or other representatives that may properly be designated by law or by a state body, from holding closed sessions with its representatives in discharging its responsibilities under Chapter 10 (commencing with Section 3500), Chapter 10.3 (commencing with Section 3512), Chapter 10.5 (commencing with Section 3525), or Chapter 10.7 (commencing of Section 3540) of Division 4 of Title 1 as the sessions relate to salaries, salary schedules, or compensation paid in the form of

The Legislative Analyst shall retain for no less than four years any written notification received from a state body pursuant to this subparagraph.

(e) (1) Nothing in this article shall be construed to prevent a state body, based on the advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the state body in the litigation.

(2) For purposes of this article, all expressions of the lawyer-client privilege other than those provided in this subdivision are hereby abrogated. This subdivision is the exclusive expression of the lawyer-client privilege for purposes of conducting closed session meetings pursuant to this article. For purposes of this subdivision, litigation shall be considered pending when any of the following circumstances exist:

If the closed session is pursuant to subparagraph (A) or (B), the memorandum shall include the existing facts and circumstances on which it is based. The legal counsel shall submit the memorandum to the state body prior to the closed session, if feasible, and in any case no later than one week after the closed session. The memorandum shall be exempt from disclosure pursuant to Section 6254.25.

(iii) For purposes of this subdivision, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

agenda. If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

Nothing in this section shall prohibit the state body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. Notwithstanding any other provision of law, only matters appearing on the agenda may be considered in such a session.

Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section.

11128.5. Adjournment of meeting; notice; hour for reconvened meeting

same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by law or regulation.

11129. Continuance or recontinuance; posting notice

Any hearing being held, or noticed or ordered to be held by a state body at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the state body in the same manner and to the same extent set forth in Section 11128.5 for the adjournment of meetings. A copy of the order or notice of continuance shall be conspicuously posted on or near the door of the place where the hearing was held within 24 hours after the time of the continuance; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(b) The court in its discretion may, upon a judgment of a violation of Section 11126, order the state body to tape record its closed sessions and preserve the tape recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The tapes shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the tape is sought by the Attorney General, the district attorney, or the plaintiff in a civil action pursuant to this section or Section 11130.3 alleging that a violation of this article has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the tape recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in-camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this article, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) Nothing in this section shall permit discovery of communications that are protected by the attorney-client privilege.

Any action seeking such a judicial determination shall be commenced within 90 days from the date the action was taken. Nothing in this section shall be construed to prevent a state body from curing or correcting an action challenged pursuant to this section.

(b) An action shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement related thereto.

A court may award court costs and reasonable attorney's fees to a defendant in any action brought pursuant to Section 11130 or 11130.3 where the defendant has prevailed in a final determination of the action and the court finds that the action was clearly frivolous and totally lacking in merit.

11130.7. Violations; misdemeanor penalty

Each member of a state body who attends a meeting of that body in violation of any provision of this article, and where the member intends to deprive the public of information to which the

No state agency shall conduct any meeting, conference, or other function in any facility that prohibits the admittance of any person, or persons, on the basis of race, religious creed, color, national origin, ancestry, or sex, or that is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. As used in this section, “state agency” means and includes every state body, office, officer, department, division, bureau, board, council, commission, or other state agency.

11131.5. Identification of victims or alleged victims of crimes; public disclosure
