BOARD OF GOVERNORS OF THE CALIFORNIA COMMUNITY COLLEGES PROPOSED REVISIONS TO TITLE 5 REGULATIONS: CREDIT COURSE REPETITION

1. Section 55000 of article 1 of subchapter 1 of chapter 6 of division 6 of title 5 of the California Code of Regulations is amended to read:

§ 55000. Definitions.

For the purpose of this chapter, the following definitions shall apply:

(a) "Active participatory courses" are those courses where individual study or group assignments are the basic means by which learning objectives are obtained.

(b) "Advisory on recommended preparation" means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

(c) "All units attempted" means all units of credit for which the student has enrolled in the current community college district of attendance.

(d) "CR" means "credit" and is a symbol used to denote that a student received credit for at least satisfactory work in a course taken on a "credit-no credit basis" prior to the Fall 2009 term.

(e) "Community Services Offering" means a fee-supported community services class authorized pursuant to Education Code section 78300 and approved pursuant to subdivision (d) of section 55002 for which state apportionment is not claimed and credit is not awarded.

(f) "Content review" means a rigorous, systematic process developed in accordance with sections 53200 to 53204, approved by the Chancellor as part of the district matriculation plan required under section 55510, and that is conducted by faculty to identify the necessary and appropriate body of knowledge or skills students need to possess prior to enrolling in a course, or which students need to acquire through simultaneous enrollment in a corequisite course.

(g) "Contract Course" means a course which a community college district offers under a contract pursuant to Education Code section 78021 with a public or private agency, corporation, association, or other organization.

(h) "Corequisite" means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

(i) "Course" means an organized pattern of instruction on a specified subject offered by a community college pursuant to subdivisions (a), (b) or (c) of section 55002.

(j) "Course repetition" occurs when a student who has previously received an evaluative symbol in a credit course, as set forth in section 55023, re-enrolls in that course and receives an evaluative symbol.

(k) "Courses that are determined to be legally mandated" are courses that are required by statute or regulation as a condition of the student's paid or volunteer employment.

(l) "Courses that are related in content" are those courses with similar primary educational activities in which skill levels or variations are separated into distinct courses with different student learning outcomes for each level or variation.

(m) "Educational program" is an organized sequence of courses leading to a defined objective, a degree, a certificate, a diploma, a license, or transfer to another institution of higher education.

(n) "Enrollment" occurs when a student receives an evaluative or nonevaluative symbol pursuant to section 55023 in a credit course.

(o) "Extraordinary conditions" are those conditions meeting the requirements of section 58509(a) allowing a community college to provide a full refund of enrollment fees to a student.

(p) "Intercollegiate academic or vocational competition course" is a course that is designed specifically for participation in non-athletic competitive events between students from different colleges that are sanctioned by a formal collegiate or industry governing body. The participation in the event must be directly related to the course content and objectives pursuant to subdivisions (a) or (b) of section 55002.

(q) "Intercollegiate athletic course" is a course in which a student athlete is enrolled to participate in an organized competitive sport sponsored by the district or a conditioning course which supports the organized competitive sport.

(r) "NC" means "no credit" and is a symbol used to denote that a student did not receive credit for a course taken on a "credit-no credit basis" prior to the Fall 2009 term.

(s) "Necessary and appropriate" means that a strong rational basis exists for concluding that a prerequisite or corequisite is reasonably needed to achieve the purpose that it purports to serve. This standard does not require absolute necessity.

(t) "Noncredit basic skills courses" are those courses in reading, writing, computation, and English as a Second Language which are designated by the community college district as noncredit courses pursuant to subdivision (c) of section 55002.

(u) "Nondegree-applicable basic skills courses" are those courses in reading, writing, computation, and English as a Second Language which are designated by the community college district as nondegree-applicable credit courses pursuant to subdivision (b) of section 55002.

(v) "Prerequisite" means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

(w) "Satisfactory grade" means that, for the course in question, the student's academic record has been annotated with the symbol A, B, C or P as those symbols are defined in section 55023.

(x) "Special classes" means those instructional activities designed to address the educational limitations of students with disabilities who would be unable to substantially benefit from regular college classes even with appropriate support services or accommodations as set forth in section 56028.

(y) "Substandard academic work" means course work for which the grading symbols "D," "F," "FW," "NP" or "NC" (as defined in section 55023) have been recorded.

2. Section 55040 of article 4 of subchapter 1 of chapter 6 of division 6 of title 5 of the California Code of Regulations is amended to read:

§ 55040. District Policy for Course Repetition.

(a) The governing board of each community college district shall adopt and publish policies and procedures pertaining to the repetition of credit courses. Such policies and procedures shall not conflict with section 55025 or Education Code section 76224, pertaining to the finality of grades assigned by instructors, or with subchapter 2.5 (commencing with section 59020) of chapter 10 of this division, pertaining to the retention and destruction of student records.

(b) The policies and procedures adopted pursuant to subdivision (a) may,

(1) designate certain types of courses as “repeatable courses” consistent with the requirements of section 55041.

(2) permit a student to repeat a course in an effort to alleviate substandard academic work consistent with the requirements of section 55042.

(3) permit or require a student to repeat a course due to significant lapse of time consistent with the requirements of section 55043.

(4) permit a student to repeat a portion of a course, other than a physical education, visual arts, or performing arts course, offered for variable units on an open-entry/open-exit basis which the student previously completed only under the circumstances described in section 55044.

(5) permit a student to repeat a course which is not designated as a repeatable course, regardless of whether substandard academic work was previously recorded, where the district determines, consistent with section 55045, that there are extenuating circumstances which justify the repetition.

(6) permit a student to repeat a course in ~~occupational cooperative~~ work experience under the circumstances described in section 55253. When an ~~occupational cooperative~~ work experience course is repeated pursuant to that section, the grade received each time shall be included for purposes of calculating the student's grade point average.

(7) permit a student with a disability to repeat a special class for students with disabilities any number of times based on an individualized determination that such repetition is required as a disability-related accommodation for that particular student for one of the reasons specified in section 56029. The district policy may allow the previous grade and credit to be disregarded in computing the student's GPA each time the course is repeated.

(8) permit a student to repeat a course determined to be legally mandated as defined in section 55000, regardless of whether substandard academic work has been recorded. Such courses may be repeated for credit any number of times. The governing board of a district may establish policies and procedures requiring students to certify or document that course repetition is legally mandated.

(9) permit a student to petition the district to repeat a course as a result of a significant change in industry or licensure standards such that repetition of the course is necessary for the student's employment or licensure. Such courses may be repeated for credit any number of times. The governing board of the district may establish policies and procedures requiring students to certify or document that there has been a significant change in industry or licensure standards necessitating course repetition.

(c) The policies and procedures adopted by the governing board of each community college district pursuant to subdivision (a) may not permit student enrollment in active participatory courses, as defined in section 55000, in physical education, visual arts or performing arts that are related in content, as defined in section 55000, more than four times for semester courses or six times for quarter courses. This limitation applies even if a student receives a substandard grade or "W" during one or more of the enrollments in such a course or petitions for repetition due to extenuating circumstances as provided in section 55045.

(d) When course repetition occurs pursuant to this section, the student's permanent academic record shall clearly indicate any courses repeated using an appropriate symbol and be annotated in such a manner that all work remains legible, insuring a true and complete academic history.

(e) Notwithstanding the limits set forth above, apportionment will be limited as set forth in section 58161.

NOTE: Authority cited: Sections 66700 and 70901, Education Code. Reference: Sections 70901 and 70902, Education Code.

3. Section 55253 of article 4 of subchapter 3 of chapter 6 of division 6 of title 5 of the California Code of Regulations is amended to read:

§ 55253. College Credit and Repetition.

(a) For the satisfactory completion of all types of Cooperative Work Experience Education, students may earn up to a total of 16 semester credit hours or 24 quarter credit hours, subject to the following limitations:

(1) General Work Experience Education.

A maximum of six semester credit hours or nine quarter credit hours may be earned during one enrollment period in general work experience education.

(2) Occupational Work Experience Education.

A maximum of eight credit hours may be earned during one enrollment period in occupational work experience education.

(b) ~~If a college offers only one course in occupational work experience in a given field and that course is not offered as a variable unit open-entry/open-exit course, t~~The district policy on course repetition adopted pursuant to section 55040 may permit a student to repeat that a cooperative work experience course any number of times so long as the student does not exceed the limits on the number of units of cooperative work experience education set forth in subdivision (a). Consistent with section 58161, attendance of a student repeating a cooperative work experience course pursuant to this subdivision may be claimed for state apportionment.
