

TOOLS AND RESOURCES TO SUPPORT STUDENT SUCCESS

The Education Planning Initiative (EPI) has multiple components to assist students in completing their academic goals. Initiative staff are developing (1) a student services portal that will personalize and sequence activities and information; (2) articulation, curriculum inventory, and electronic transcript systems; and (3) an education planning tool that will offer districts degree planning capabilities, as well as early alert and scheduling functionality.

Background - Student Success and Support

- SB 1456 Student Success Act of 2012
- SSSP/Core Services Focus
- Five-year \$36M Grant Ending 2018

Pilot districts engaged in implementation efforts:

- Contra Costa Community College District (3 colleges)
- El Camino Community College District
- San Bernardino Community College District (2 colleges)
- San Francisco Community College District
- Santa Barbara Community College District
- Sonoma Community College District
- State Center Community College District (3 colleges)
- Victor Valley Community College District

Accomplishments & Status - Program Components

- MyPath Statewide Student Services Portal
 - Piloting now
- Starfish Ed Planning, Degree Audit, and Early Alert
 - Live in three of 13 pilot colleges, +18 colleges in 2016-2017
- Articulation (C-ID)
 - Development on track for Fall 2016
- Curriculum Inventory (COCI)
 - Development on track for Fall 2016
- Electronic Transcripts
 - Drive to increase participation
 - Pilot the vendor-neutral EdExchange solution

	Fall 2016	Spring 2017	Summer 2017	Fall 2017
CCC MyPath	Go live at pilots	Pilot evaluation, CCC MyPath live	TBD colleges live	TBD colleges live
Starfish Ed Planning, Degree Audit, and Early Alert	5 colleges live 8 in start-up 6 new kick-offs	10 colleges live 9 in start-up 8 new kick-offs	16 colleges live 11 in start-up TBD new kick-offs	20 colleges live 7 in start-up TBD new kick-offs
