¹ The information provided by this Model Policy is an informational guideline and should not be interpreted as legal advice. Much of what is included in the Model Policy is required by law, but in places the document reflects what the Chancellor's Office recommends a district should include in its policy. The authority and references are included to enable districts to determine what is legally required.

Introduction and Scope

These are the written policies and procedures for filing and processing complaints of unlawful discrimination at Sample Community College District. These policies and procedures incorporate the legal principles contained in nondiscrimination provisions of the California Code of Regulations, title 5, sections 59300 et seq. as well as other state and federal substantive and procedural requirements.

A copy of these written policies on unlawful discrimination will be displayed in a prominent location in the main administrative building or other area where notices regarding the institution's rules, regulations, procedures, and standards of conduct are posted.

These policies and procedures were adopted by the Sample Community College District Governing Board on _____, 2011, in accordance with the procedures of the Board.

Authority: 20 U.S.C. § 1681 et seq.; Ed. Code, §§ 66270, 66271.1, 66281.5; Gov. Code, §§ 11135-11139.5; Cal. Code Regs., tit. 5, § 59326. Reference: Cal. Code Regs., tit. 5, §§ 59300 et seq.; 34 C.F.R. § 106.8(b).

Unlawful Discrimination Policy

The policy of the Sample Community College District is to provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination, in whole or in part, on the basis of ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, or physical or mental disability, or on the basis of these perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

The policy of the Sample Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, sexual favoritism, or other verbal or physical conduct or communications constituting sexual harassment.

The policy of Sample Community College District is to comply with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973 in the development, procurement, maintenance, or use of electronic or information technology and respond to and resolve unlawful discrimination complaints regarding accessibility. Such complaints will be treated as complaints of discrimination on the basis of disability.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

In so providing, the Sample Community College District hereby implements the provisions of California Government Code sections 11135 through 11139.5, the Sex Equity in Education Act (Ed. Code, § 66250 et seq.), title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794d), the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12100 et seq.) and the Age Discrimination Act (42 U.S.C. § 6101).²

Authority: Cal. Code Regs., tit. 5, § 59300; Ed. Code §§ 66250 et seq., 66271.1, 66700, and 70901; Gov. Code § 11138. Reference: Ed. Code §§ 66250 et seq. and 72011; Gov. Code, §§ 11135-11139.5; Penal Code §§ 422.6 and 422.55; 20 U.S.C. § 1681; 29 U.S.C. §§ 794 and 794d; 42 U.S.C. §§ 6101, 12100 et seq. and 2000d; 36 C.F.R. § 1194.

Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Authority: 20 U.S.C. §§ 1681 et seq.; 34 C.F.R. § 106; Cal. Code Regs., tit. 5, §§ 59300 et seq.; *Revised Sexual Harassment Guidance: Harassment of Students by School Employees, Other Students, or Third Parties, Title IX*, Office for Civil Rights, January 19, 2001.

Responsible District Officer

The Sample Community College District has identified the _____ to the State Chancellor's Office and to the public as the single District officer responsible for receiving all unlawful discrimination complaints filed pursuant to title 5, section 59328, and for coordinating their investigation. Informal charges of unlawful discrimination should be brought to the attention of the responsible district officer, who shall oversee the informal resolution process pursuant to section 59327. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation

² If the federal statutes cited above would result in broader protection of the civil rights of individuals than that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of title 5, section 59300, as cited in the Model Policy.

procedures will be used whenever the officer designated to receive complaints is named in the complaint or is implicated by the allegations in the complaint.³

Administrators, faculty members, other District employees, and students shall direct all complaints of unlawful discrimination to the responsible District officer.

Authority: Cal. Code Regs., tit. 5, § 59324; 34 C.F.R. § 106.8.

Informal/Formal Complaint Procedure⁴

When a person brings charges of unlawful discrimination to the attention of the District's responsible officer, that officer will:

- (1) Undertake efforts to informally resolve the charges;
- (2) Advise the complainant that he or she need not participate in informal resolution;
- (3) Notify the person bringing the charges of his or her right to file a formal complaint and explain the procedure for doing so;
- (4) Assure the complainant that he or she will not be required to confront, or work out problems with, the person accused of unlawful discrimination;*

³ The federal Office for Civil Rights (OCR) advises educational institutions to give one official responsibility for oversight and coordination of all sexual harassment complaints to insure consistent practices and standards in handling complaints as well as coordination of record keeping. This will help ensure that the educational institution can and will resolve recurring problems and identify students or employees who have multiple complaints filed against them. The State Chancellor's Office advises that having the responsible district officer, identified pursuant to title 5, section 59324, coordinate both sexual harassment and other unlawful discrimination complaints satisfies OCR's instruction on this subject.

⁴ The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against or sexually harassed to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process will be invoked when there is a simple misunderstanding or the complainant does not wish to file a formal complaint. Resolution of an informal complaint may require nothing more than a clarification of the misunderstanding or an apology from the respondent and an assurance that the offending behavior will cease. However, the district is responsible for maintaining a safe and discrimination free educational environment and serious allegations may need to be investigated even if the complaining party considers the matter resolved. In an informal process the district officer shall advise the complainant of his or her rights and responsibilities under both the formal and informal processes. If the complainant declares his or her preference for the informal process, the responsible district officer shall present the complainant with a document that describes the informal/formal process that contains the basics of complainant's allegations of unlawful discrimination. This document will clearly indicate that the complainant opted for the informal resolution process and should be signed and dated by the complainant. The informal resolution process will not be made a predicate to the process and investigation of a formal complaint. If a formal complaint is filed, an investigation must be completed within the time required unless it is voluntarily rescinded by a complainant as a result of a successful informal resolution.

(5) Advise the complainant that he or she may file a nonemployment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency's jurisdiction.

(6) If the complaint is employment-related, the complainant should also be advised that he or she may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency's jurisdiction.

Efforts at informal resolution need not include any investigation unless the responsible District officer determines that an investigation is warranted by the seriousness of the charges. Selecting an informal resolution does not extend the time limitations for filing a formal complaint. Efforts at informal resolution may continue after the filing of a formal written complaint, but after a complaint is filed an investigation is required to be conducted pursuant to title 5, section 59334, and will be completed unless the matter is informally resolved and the complainant dismisses the complaint. *Even if the complainant does dismiss the complaint, the responsible district officer may require the investigation to continue if he or she determines that the allegations are serious enough to warrant an investigation.* Any efforts at informal resolution after the filing of a written complaint will not exceed the 90-day period for rendering the administrative determination pursuant to title 5, section 59336.

Allegations of unlawful discrimination made by parties who have not personally suffered unlawful discrimination, and are not complainants under the description set forth title 5, section 59328(a), may be conducted via the informal complaint process.

In employment-related cases, if the complainant also files with the Department of Fair Employment and Housing or with the U.S. Equal Employment Opportunity Commission, a copy of that filing will be sent to the State Chancellor's Office requesting a determination of whether a further investigation under title 5 is required. Unless the State Chancellor's Office determines that a separate investigation is required, the District will discontinue its investigation under title 5 and the matter will be resolved through the Department of Fair Employment and Housing or the U.S. Equal Employment Opportunity Commission.

The District will allow for representation where required by law and may allow for representation for the accused and complainant in other circumstances on a case by case basis.

Authority: Cal. Code Regs., tit. 5, §§ 59327, 59328, 59334, 59336, and 59339; *NLRB v. Weingarten, Inc.* (1975) 420 U.S. 251.

Filing of Formal Written Complaint

If a complainant decides to file a formal written unlawful discrimination complaint against the District, he or she must file the complaint on a form prescribed by the State Chancellor. These

approved forms are available from the District and also at the State Chancellor's website, as follows:

<http://www.cccco.edu/ChancellorsOffice/Divisions/Legal/Discrimination/tabid/294/Default.aspx>
[x](#)

The completed form must be filed with the District representative or mailed directly to the State Chancellor's Office of the California Community Colleges.

If a complaint of unlawful discrimination is presented in another written format, such as a letter, a district may request that the complainant complete the form. If there is a delay in obtaining a completed form, or the complainant refuses to transfer the information or otherwise complete the form but wishes to pursue the formal complaint process, a district may attach the letter to the form and open a formal investigation. While a complaint filed in an improper form is still procedurally defective under title 5 standards, the merits of the complaint itself may still be valid and must be addressed.

Once a complaint is filed, the individual(s) accused of engaging in prohibited discriminatory conduct should be advised of that filing and the general nature of the complaint. This should occur as soon as possible and in a manner that is appropriate under the circumstances. The District will also advise the accused that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the accused will be provided an opportunity to present his/her side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

Authority: Cal. Code Regs., tit. 5, §§ 59311 and 59328.

Threshold Requirements Prior to Investigation of a Formal Written Complaint

When a formal written complaint is filed it will be reviewed to determine if the complaint meets the following requirements:

- The complaint should be filed on a form prescribed by the State Chancellor's Office. **If the complaint is not filed on this form, every effort should be made to have the complaint filed on this form and to obtain complainant's signature. However, where a complainant has indicated that he or she wishes to pursue the formal complaint process, a complaint should not be rejected solely based on the failure to file the complaint on this form.**
- The complaint must allege unlawful discrimination prohibited under title 5, section 59300.

- The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member or administrator.
- In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination
- In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

Authority: Cal. Code Regs., tit. 5, § 59328.

Defective Complaint

If a complaint is found to be defective it will be immediately returned to the complainant with a complete explanation of why an investigation will not be initiated under California Code of Regulations, title 5, section 59300 et seq. The notice will inform the complainant that the complaint does not meet the requirements of section 59328, and shall specify in what requirement the complaint is defective. A copy of the notice to the complainant will also be sent to the State Chancellor's Office.

Authority: Cal. Code Regs., tit. 5, §§ 59328, 59332.

Notice to State Chancellor or District

A copy of all formal complaints filed in accordance with the title 5 regulations will be forwarded to the State Chancellor's Office immediately upon receipt, regardless of whether the complaint is brought by a student or by an employee. Similarly, when the State Chancellor's Office receives a complaint a copy will be forwarded to the District.

Authority: Cal. Code Regs., tit. 5, § 59330.

Administrative Determination

In any case not involving employment discrimination, within 90 days of receiving an unlawful discrimination complaint filed under title 5, sections 59300 et seq., the responsible District officer will complete the investigation and forward a copy of the investigative report to the

State Chancellor, a copy or summary⁵ of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:

- (a) the determination of the chief executive officer or his/her designee as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
- (b) a description of actions taken, if any, to prevent similar problems from occurring in the future;⁶
- (c) the proposed resolution of the complaint; and
- (d) the complainant's right to appeal to the District governing board and the State Chancellor.

In any case involving employment discrimination, within 90 days of receiving an unlawful discrimination complaint filed under title 5, sections 59300, et seq., the responsible District officer will complete the investigation and forward a copy or summary⁷ of the report to the complainant, and written notice setting forth all the following to the complainant:

- (a) the determination of the chief executive officer or his/her designee as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
- (b) a description of actions taken, if any, to prevent similar problems from occurring in the future⁸;
- (c) the proposed resolution of the complaint; and
- (d) the complainant's right to appeal to the District governing board and to file a complaint with the Department of Fair Employment and Housing.

⁵ It is within the District's discretion to choose not to include the entire investigative report; however, a summary of an investigative report should, at the very least, include all of the following:

- (a) a description of the circumstances giving rise to the complaint;
- (b) a specific finding as to whether there is probable cause to believe that discrimination occurred with respect to each allegation in the complaint;
- (c) a summary and analysis of the relevant evidence (documents, data, or witness testimony) on which the determination rests; and
- (d) any other information deemed appropriate by the district.

⁶ If it is determined that discrimination did occur, possible remedies to prevent similar problems from occurring in the future include all the standard District disciplinary actions for students and employees, ranging from undocumented reprimand to termination or expulsion. If formal disciplinary action is inappropriate, other possible remedies include training in the pertinent area(s) of unlawful discrimination, apology, and restricting or forbidding contact between the perpetrator and victim.

⁷ See footnote 6.

⁸ See footnote 7.

The District will keep these documents on file for a period of at least three years after closing the case, and make them available to the State Chancellor upon request.

The Sample Community College District recognizes the importance of and is therefore committed to completing investigations and resolving complaints as quickly as possible, consistent with the requirements for a thorough investigation.

Authority: Cal. Code Regs., tit. 5, § 59336.

Complainant's Appeal Rights

Complainants have appeal rights that they may exercise if they are not satisfied with the results of the District's administrative determination. At the time the administrative determination and summary is mailed to the complainant, the responsible District officer or his/her designee shall notify the complainant of his or her appeal rights as follows:

- First level of appeal: The complainant has the right to file an appeal to the District's governing board within 15 days from the date of the administrative determination. The District's governing board will review the original complaint, the investigative report, the administrative determination, and the appeal.
- The District's governing board will issue a final District decision in the matter within 45 days after receiving the appeal. Alternatively, the District's governing board may elect to take no action within 45 days, in which case the original decision in the administrative determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the District's governing board will be forwarded to the complainant and to the State Chancellor's Office.
- Second level of appeal: The complainant has the right to file an appeal with the California Community College Chancellor's Office in any case not involving employment-related discrimination within 30 days from the date that the governing board issues the final District decision or permits the administrative determination to become final by taking no action within 45 days.⁹ The appeal must be accompanied by a copy of the decision of the governing board or evidence showing the date on which the complainant filed an appeal with the governing board, and a statement under penalty of perjury that no response was received from the governing board within 45 days from that date. In any case involving employment discrimination, the complainant has the right to file a complaint with the Department of Fair

⁹ The Department of Fair Employment and Housing (DFEH) has final jurisdiction over employment-related cases. In addition, title 5, section 59339(b) does not provide appeal rights to the State Chancellor in employment-related discrimination cases.

Employment and Housing (DFEH) where the case is within the jurisdiction of that agency.

Complainants must submit all appeals in writing.

The title 5 process provides no corresponding appeal rights to any other parties aside from the complainants.

Authority: Cal. Code Regs., tit. 5, §§ 59338 and 59339.

Provision of Information to State Chancellor

In any case not involving employment discrimination, within 150 days of receiving a complaint, the responsible District officer will either:

Forward the following to the State Chancellor:

- A copy of the final District decision rendered by the governing board or a statement indicating the date on which the administrative determination became final as a result of taking no action on the appeal within 45 days.
- A copy of the notice of appeal rights the District sent the complainant.
- Any other information the State Chancellor may require; or

Notify the State Chancellor that the complainant has not filed an appeal with the district governing board and that the District has closed its file.

The District will keep these documents on file for a period of at least three years after closing the case, and in any case involving employment discrimination, make them available to the State Chancellor upon request.

Authority: Cal. Code Regs., tit. 5, §§ 59338 and 59340.

Extensions

If for reasons beyond its control, the District is unable to comply with the 90-day or 150-day deadlines specified above for submission of materials to the complainant and the State Chancellor's Office, the responsible District officer will file a written request that the State Chancellor grant an extension of the deadline. Where an extension is deemed necessary by the District, it must be requested from the State Chancellor regardless of whether or not the case involves employment discrimination. The request will be submitted no later than 10 days prior to the expiration of the deadlines established by title 5 in sections 59336 and/or 59340 and will

set forth the reasons for the request and the date by which the District expects to be able to submit the required materials.

A copy of the request for an extension will be sent to the complainant, who will be advised that he or she may file written objections with the State Chancellor within 5 days of receipt.

The State Chancellor may grant the request unless delay would be prejudicial to the investigation. If an extension of the 90-day deadline is granted by the State Chancellor the 150-day deadline is automatically extended by an equal amount.

Authority: Cal. Code Regs., tit. 5, § 59342.

Confidentiality of the Process

Investigative processes can best be conducted within a confidential climate. Therefore, the District does not reveal information about such matters except as necessary to fulfill its legal obligations.

Potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed. The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the District to respond.

Complainants must also recognize that persons who are accused of wrongdoing have a right to present their side of the matter, and this right may be jeopardized if the District is prohibited from revealing the name of the complainant or facts that are likely to disclose the identity of the complainant.

If a complainant insists that his or her name not be revealed, the responsible officer should take all reasonable steps to investigate and respond to the complaint consistent with the complainant's request as long as doing so does not jeopardize the rights of other students or employees.

It is also important that complainants and witnesses understand the possibility that they may be charged with allegations of defamation if they circulate the charges outside of the District's

process. In general, persons who are participating in a District investigative or disciplinary process that is related to a charge of discrimination are protected from tort claims such as defamation. However, persons who make allegations outside of these processes or who discuss their claims with persons outside of the process may expose themselves to tort charges. Complainants, witnesses, and those accused of discrimination will all be asked to sign a confidentiality acknowledgement statement.

Where an investigation reveals the need for disciplinary action, the complainant may wish to have information about what disciplinary actions the District took. However, the privacy rights of the persons involved often prevent the District from providing such information. In student disciplinary actions for sexual assault/physical abuse charges, Education Code section 76234 provides that the victim shall be informed of the disciplinary action, but that the victim must keep the information confidential. Disciplinary actions taken against employees are generally considered confidential.¹²

Notice, Training, and Education for Students and Employees

The Sample Community College District's responsible officer shall make arrangements for or provide training to employees and students on the District's unlawful discrimination policy and procedures. Faculty members, members of the administrative staff, and members of the support staff will be provided with a copy of the District's written policy on unlawful discrimination at the beginning of the first quarter or semester of the college year after the policy is adopted.

All District employees will receive this training and a copy of the unlawful discrimination policies and procedures during the first year of their employment. Because of their special responsibilities under the law, supervisors will undergo mandatory training within six months of assuming a supervisory position and annually thereafter. In years in which a substantive policy or procedural change has occurred all District employees will attend a training update and/or receive a copy of the revised policies and procedures.

¹² Complainants must trust the District to take appropriate action and must understand that the District is generally not at liberty to discuss personnel or student matters, particularly disciplinary matters. In some disciplinary cases, the complainant may be required to testify at a hearing, and would therefore be aware of the proposed disciplinary action.

A training program or informational services will be made available to all students at least once annually. The student training or informational services will include an explanation of the policy, how it works, and how to file a complaint. In addition, a copy of the District's written policy on unlawful discrimination, as it pertains to students, will be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session, as applicable.

Academic Freedom

The Sample Community College District Governing Board reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause some students discomfort. It is further recognized that academic freedom insures the faculty's right to teach and the student's right to learn. Finally, nothing in these policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific community college program, course or activity.

When investigating unlawful discrimination complaints containing issues of academic freedom Sample Community College District will consult with a faculty member appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

Record Retention

Unlawful discrimination records that are part of an employee's employment records may be classified as Class-1 Permanent records and retained indefinitely or microfilmed in accordance with title 5, California Code of Regulations, section 59022. Unlawful discrimination records of a student that are deemed worthy of preservation but not classified as Class-1 Permanent may be classified as Class-2 Optional records or as Class-3 Disposable records. Class-2 Optional records shall be retained until reclassified as Class-3 Disposable Records. Class-3 Disposable Records shall be retained for a period of three years after being classified as Class-3 Disposable records.

Records related to a student discrimination complaint will be deemed worthy of preservation if, at the end of three years after the case is closed, a complaint on similar grounds has been filed against the same employee. In such cases, the records shall continue to be classified as Class 2

records and shall not be reclassified as Class-3 Disposable Records until complaints against that particular employee have been resolved.
