Proposed Lassen Community College District Policy

CCLC No. 7160

Human Resources

BP 7160 PROFESSIONAL DEVELOPMENT

References:

Accreditation Standard III.A.5;
Education Code Sections 87767 and 87768

Professional growth is that additional learning and revitalization by which the individual improves service to Lassen College and advances toward excellence in his field.

The Governing Board of the Lassen Community College District believes that a monetary incentive should be provided to faculty member who have reached the maximum salary level to further their professional growth.

Therefore, the Governing Board of the Lassen Community College District does hereby direct the Superintendent/President to establish regulations to implement this policy.

Approved by Consultation Council 08/29/12
