Subject: Student Equity: Bringing it all Together Lunch Discussions

Hi Everyone,

Many of us have attended various Student Equity Events and we have learned new concepts and information but do not have time to talk about this topic with our colleagues, peers, friends or family members. Come and discuss your ideas, concerns, pose questions. Let's figure out how to make sense of all of this and implement strategies in your office, classroom, front counter, student club, committee meeting, etc. I will have handouts from the various events so we can re-visit topics and make sense of it together. Lunch provided.

Events we will discuss:

PCC Student Equity Forum Spring 2014

Dr. Tara Yosso: Community Cultural Wealth Theory & Using Counterstorytelling to combat stereotyping of students

Dr. Laura Rendon: Theory of Validation (Asset based approach to Education versus deficit based)

Jaime Escalante: A Life Con Ganas Celebration & Educational Events Spring 2015

Dr. Diane Goodman: Cultural Competency

Dr. Rob Johnstone: Beyond Financial Aid

Dr. Darla Cooper: Student Support Redefined

Dr. Estela Bensimon & The USC Center for Urban Education: Equity Mindedness through a focus on Race & Ethnicity

Professor Sylvia Villanueva event on Chicano/Latino Effective Pedagogy (Decolonizing the classroom/college)

Dr. Pedro Noguera: Unintended Bias in the Classroom & College

Dr. Victor Rios: Criminalization and Youth Incarceration

Statewide Academic Senate Student Equity Conferences

The Importance and Role of Ethnic Studies

A2MEND African American Male Education Network & Development Conference

Minority Male Community College Collaborative Initiative

Dr. J. Luke Wood: Student Equity & The President's African American Advisory Committee

Dr. Cris Cullinan, Unintended Bias in Hiring Practices

In total, hundreds of us have participated in these professional development opportunities. What did we learn? What did we find helpful? Not helpful? Critically Important? What is still confusing? What next?
