AB 288 (Dual Enrollment)
College and Career Access Pathways (CCAP)
Partnership Agreement Guidelines for Apportionment Eligibility
March 2016

Community college districts may claim full-time equivalent student (FTES) and state apportionment for courses given through AB 288 (dual enrollment) College and Career Access Pathways (CCAP) Partnership Agreements provided that California Education Code (EC) and California Code of Regulations, Title 5 requirements are met as outlined in this document. Other regulations and/or statutes may apply, and other subject matters (e.g., facilities and student code of conduct) not related to state apportionment eligibility may also be covered in such partnership agreements.

These guidelines paraphrase applicable sections of Education Code and Title 5 and apply only to programs and/or courses conducted in an AB 288 CCAP Partnership Agreement with a California public school district. The following list of required elements should be used as a guide in the preparation of these agreements/contracts. Please also refer to Legal Opinion 16-02 (Dual Enrollment and AB 288) for legal guidance on some of these elements. ATTACHMENT LINK 16-02
