

## **OGC.LISTSERV**

Our new legal team here at CCCCO enjoys practicing law (we are nerds about it) and would like to share legal resources and provide general legal information to our colleges.

The Office of the General Counsel (formerly known as the Legal Affairs Division) is introducing a new listserv ([OGC.listserv](#)) in which announcements and information will be channeled through the CCCCO, Office of the General Counsel. Our focused audience will be district general counsel, outside counsel, legal staff, and district administrators who manage contracted legal services. Other administrators who are as nerdy as we are and interested in receiving regular emails about legal developments are also welcome to join the listserv. A minimum of two representatives per district are encouraged to be on the listserv.

Please email [legaffairs@cccco.edu](mailto:legaffairs@cccco.edu), subject "OGC Listserv", if you wish to join the listserv: provide names, email addresses, position titles, and phone numbers.
