INFORMATIVE DIGEST

The Task Force on Workforce, Job Creation and a Strong Economy (a.k.a., Strong Workforce) passed 25 recommendations that were adopted by the Board of Governors in November 2015.

Recommendation 14 states: “Consider options for meeting minimum qualifications to better integrate industry professionals who possess significant experience into CTE instructional programs.”

Recommendation 14F follows with “Convene representative apprenticeship teaching faculty, labor organizations, and other stakeholders to review the appropriateness of minimum qualifications for apprenticeship instructors.”

The Chancellor's Office has engaged in a process with the California Apprenticeship Council, apprenticeship instructors, the Academic Senate of the California Community Colleges, and other stakeholder groups to revise the current minimum qualifications to improve college access to apprenticeship industry experts.

ESTIMATED COST OR SAVINGS OF PROPOSED AMENDMENTS

The estimated cost or savings of the proposed amendments are anticipated to be as follows:

Mandate on local agencies or community college districts: None

Cost or savings to state agencies: None

Costs to local agencies or community college districts for which reimbursement would be required pursuant to part 7 (commencing with section 17500) of division 4 title 2 of the Government Code: None

Other non-discretionary cost or savings imposed on community college districts: None

Cost or savings in federal funding to state agencies: None

The effect of the adoption of the proposed regulations will not impose increased costs or new costs to community college districts that are required to be reimbursed under section 17561 of the Government Code. Such determination will be made a formal part of the public hearing at the time and place described above. Furthermore, there are no direct costs or indirect costs, or savings to any state agency, no costs or savings in federal funding to the state and no non-discretionary costs or savings to local agencies.
