A public hearing will be held during the next regularly scheduled Board of Governors meeting on July 16, 2018, at 1102 Q Street, Sacramento, California. The Board meeting will commence at the hour of 9:00 a.m., or as soon thereafter as the business of the Agency will permit. The room is wheelchair accessible. Other disability-related accommodations such as materials in alternate media, sign language interpreters, or real time transcription will be provided to persons with disabilities upon request. Parking accessible for persons with disabilities is available near the facility. Persons requesting such accommodations should notify Christina Castro, 1102 Q Street, Suite 4500 Sacramento, CA 95811-6549, ccastro@cccco.edu, 916-323-5889, no less than five working days prior to the meeting. The Chancellor's Office will make efforts to meet requests made after such date, if possible.

At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed regulatory action described in the Informative Digest. The Board of Governors requests, but does not require, that persons who make oral comments at the hearing also submit a written summary of their comments. No oral comments will be accepted subsequent to this public hearing.

WRITTEN COMMENT PERIOD

Any interested person may submit written comments relevant to the proposed regulatory action. To ensure that your comments have the maximum effect in developing the final regulations, we urge you to identify clearly the specific subdivision of the proposed regulation that each of your comments addresses and to arrange your comments in the same order as the proposed regulation. INFORMATIVE DIGEST

The Annual Library Data Survey (ALDS) is a two-part process that involves:

1) electronic submission of data through an online submission tool and, 2) mailing the original ALDS Certification Form signed by the college Chief Librarian and the Chief Instructional Officer to the Chancellor's Office. Library data is collected from all California community colleges and one center.

Data from previous ALDS submissions revealed a 3-10 month lag of time past the due date for the California community colleges to complete the two-part process. The Library and Learning Resources Advisory Committee recommended that the ALDS due date be amended from August 31 to October 31 of each year. The due date change is better suited for the Library communities academic year calendar.

This time change will allow the California Community College Library and Learning Resources Program (LLRP) community a sufficient amount of time to collect, input, and submit their library data to the Chancellor.

ESTIMATED COST OR SAVINGS OF PROPOSED AMENDMENTS

The estimated cost or savings of the proposed amendments are anticipated to be as follows:

Mandate on local agencies or community college districts: None

Cost or savings to state agencies: None

Costs to local agencies or community college districts for which reimbursement would be required pursuant to part 7 (commencing with section 17500) of division 4 title 2 of the Government Code: None

Other non-discretionary cost or savings imposed on community college districts: None

Cost or savings in federal funding to state agencies: None

The effect of the adoption of the proposed regulations will not impose increased costs or new costs to community college districts that are required to be reimbursed under section 17561 of the Government Code. Such determination will be made a formal part of the public hearing at the time and place described above. Furthermore, there are no direct costs or indirect costs, or savings to any state agency, no costs or savings in federal funding to the state and no non-discretionary costs or savings to local agencies.
