Student Success and Support Program Coordinators

FROM: Pamela D. Walker  
Vice Chancellor, Educational Services

SUBJECT: Credit Student Success and Support Program Advance Allocations for 2017-18

Please find the attached spreadsheet containing Fiscal Year (FY) 2017-18 Credit Student Success and Support Program (SSSP) advance allocations by college. In order to ensure continued stabilization of core services to students, the Chancellor's Office has decided to advance 80 percent of the amount colleges received in FY 2016-17 P1 allocation.

The SSSP formula continues to be used to calculate allocations based on prior year MIS data reported by the college each year. The deadline to submit MIS data for FY 2017-18 funding cycle is August 1, 2017. Final funding will be guaranteed at 95 percent of prior year allocation amounts.

Colleges and districts now have two full years to expend their allocations. Thus, colleges will have until June 30, 2019, to spend funds allocated for FY 2017-2018 academic year. Additionally, the [Revised Expenditure Guidelines](#) were released in February of 2017 offering institutions the flexibility to determine which activities and associated expenditures best allow completion of the goals articulated in the Chancellor's Office Vision for Success.

**Match Requirements:** For FY 2017-18, colleges are required to spend one dollar of district funds for every one dollar of Credit SSSP funds to meet the match requirement.
