Date: Wednesday, March 14, 2018 2:28:38 PM

Hi All,

As noted during our EOPS/CARE technical training on March 1, the Chancellor's Office has scheduled a training on the EOPS and CARE allocation formulas on **Thursday, March 22nd, 1:30-3:30, through CCC Confer.**

We will explain the changes to both formulas and discuss how they might affect you, based on what we know at this time. Participants will also have an opportunity to ask questions. The Chancellor's Office is currently planning to implement the revised allocation formulas starting in 2018-19. For those unable to participate, the presentation will be recorded and saved on the CCC Confer website.

The instructions for connecting to CCC Confer are outlined below.

We encourage you to join in and please feel free to share this communication with others on campus or in the district office.

Thank you,
Kelly
