(5) 20.10.005-Student Financial Aid Administration............................... 56,741,000

Provisions:

4.) Of the funds appropriated in Schedule (1), Apportionments:

(b) Up to $500,000 is to reimburse colleges for the costs of federal aid repayments related to assessed fees for fee waiver recipients. This reimbursement only applies to students who completely withdraw from college before the census date pursuant to Section 58508 of Title 5 of the California Code of Regulations.

10.
(a) Of the funds appropriated in Schedule (5) for Student Financial Aid Administration, not less than $12,562,000 is available to provide $0.91 per unit reimbursement to community college districts for the provision of board of governors (BOG) fee waiver awards pursuant to paragraph (2) of subdivision (m) of Section 76300 of the Education Code.

(b) Of the funds appropriated in Schedule (5), not less than $7,179,000 is available to provide reimbursement of 2 percent of total waiver value to community college districts for the provision of BOG fee waiver awards pursuant to paragraph (2) of subdivision (m) of Section 76300 of the Education Code.

(c) Funding provided to community college districts in subdivisions (a) and (b) is provided to directly offset any mandated costs claimed by community college districts pursuant to Commission on State Mandates Test Claims 99-TC-13 (Enrollment Fee Collection) and 00-TC-15 (Enrollment Fee Waivers).

(d) (1) Of the amount appropriated in Schedule (5), $2,800,000 shall be for a contract with a community college district to conduct a statewide media campaign to promote the general message to prospective students as follows: (A) the California Community Colleges (CCC) remain affordable, (B) financial aid and tax credits are available to cover enrollment fees and help with books and other costs, and (C) the active encouragement of contact between pupils and local CCC financial aid offices. Any funds used from this source to produce radio, television, or mail campaigns must emphasize the availability of financial aid, the easiest and most reliable method of accessing the aid, a contact telephone number, an Internet Web site address, where applicable, and the physical location of a financial aid office. Any mail campaign must give priority to existing pupils, recent high school graduates, and 12th graders. The outreach and information campaign should target its efforts in high schools, welfare offices, unemployment offices, churches, community centers, and any other location that will most effectively reach low-income and disadvantaged students who must overcome barriers in accessing postsecondary education. The community college district awarded the contract shall consult with the Chancellor of the California Community Colleges and the Student Aid Commission prior to performing any activities to ensure appropriate coordination with any other state efforts in this area and ensure compliance with this provision.
(2) Of the amount appropriated in Schedule (5), not more than $34,200,000 shall be for direct contact with potential and current financial aid applicants. Each CCC campus shall receive a minimum allocation of $50,000. The remainder of the funding shall be allocated to campuses based upon a formula reflecting full-time equivalent students (FTES) weighted by a measure of low-income populations as demonstrated by BOG fee waiver program participation within a district. It is the intent of the Legislature, to the extent that funds are provided in this item, that all campuses provide additional staff resources to increase both financial aid participation and student access to low-income and disadvantaged students who must overcome barriers in accessing postsecondary education. Funds may be used for screening current students for possible financial aid eligibility and offering personal assistance to these students in accessing financial aid, providing individual help in multiple languages for families and students in filling out the necessary paperwork to apply for financial aid, and increasing financial aid staff to process additional financial aid forms.

(3) Funding provided to community college districts in paragraph (2) is provided to directly offset any mandated costs claimed by community college districts pursuant to the Commission on State Mandates Test Claims 02-TC-28 (Cal Grants) and 02-TC-21 (Tuition Fee Waivers).

(4) Funds allocated to a community college district for financial aid personnel, outreach determination of financial need, and delivery of student financial aid services shall supplement, and shall not supplant, the level of funds allocated for the administration of student financial aid programs during the 2001–02 or 2006–07 fiscal year, whichever is greater.

(5) It is the intent of the Legislature that the Office of the Chancellor of the California Community Colleges provide the Legislature with a report not later than April 1 of each year on the use of the funds allocated pursuant to paragraphs (1) and (2), including the distribution of the funds, specific uses of the funds, strategies employed to reach low-income and disadvantaged students potentially eligible for financial aid, and the extent to which districts were successful in increasing the number of students accessing financial aid, particularly the maximum Pell Grant award.

(6) It is the intent of the Legislature that the chancellor report by May 15 of each year, in the manner and using the factors set forth in paragraph (5) of subdivision (c) of Provision 11 of Item 6870-101-0001 of Section 2.00 of the Budget Act of 2007 (Chs. 171 and 172, Stats. 2007), on the impact of outreach efforts on student headcount and FTES enrollment for the 2008–09 and 2009–10 academic years.

(e) Notwithstanding subdivision (m) of Section 76300 of the Education Code or any other provision of law, the amount of funds appropriated for the purpose of administering fee waivers for the 2011–12 fiscal year shall be determined in this act.
