

# Digital Innovation and Infrastructure Technical Assistance Providers (DII TAP) Fiscal Agent Grant RFA Specification No. 18-0084

## *Frequently Asked Questions* *Updated as of May 17, 2018*

This document shows the questions generated by the Digital Innovation and Infrastructure Technical Assistance Providers (DII TAP) Fiscal Agent Grant RFA 18-0086 after distribution and the Bidder's Conference. Original distribution April 18, 2018.

Question	Date	Field Question	Chancellor's Office Response
1	5/17/2018	If Indirect is consumed by the Fiscal Agent Scope of Work, is there another incentive available to a responding district?	No
2	5/17/2018	Does CCCCCO see the Fiscal Agent's Scope of Work as a Direct service of the Grant?, or is CCCCCO requiring that the Fiscal Agent Scope of Work be paid for by the 4% Indirect normally paid to the district?	Yes, the Fiscal Agent's Scope of Work is a Direct service of the Grant and paid for by the 4% indirect.
3	5/17/2018	Page 7 of the RFA reads "Any subcontractor selected to fulfill functional expert roles will operate as an extension of the Chancellor's Office" Is the Technical Assistance Provider supervised by CCCCCO? If so, is the grantee responsible for the TAP individual work plans if they do not directly have control of the TAP personnel performing the work.	The CO will provide guidance on the work to be performed in coordination with the Fiscal Agent. Job descriptions will be developed during work plan implementation period. Qualifications and acceptances of these resources must be reviewed and approved by CCCCCO.
