From: Gary Bird, Telecommunications and Technology Unit, Chancellor's Office

Re: Solicitation of Interest for the Telecommunication and Technology Infrastructure Program (CCC Technology Center)

The Chancellor's Office is releasing the amended Solicitation of Interest for the Telecommunication and Technology Infrastructure Program (CCC Technology Center). The new grant period begins July 1, 2017.

Please see the attached Solicitation of Interest for the Telecommunication and Technology Infrastructure Program (CCC Technology Center).

The purpose of the Solicitation of Interest is to determine which colleges/districts are interested in participating in a competitive applications process (i.e., RFA) for a five year grant award for the program. All interested colleges/districts must submit the Solicitation of Interest form by 5pm on February 16, 2017 in order to participate in the RFA process.

Please feel free to contact me by email or phone (gbird@ccco.edu or 916-327-5904) if you have any questions.

Best regards,

Gary Bird
