RE: Industry Sector Projects in Common (ISPIC)
2017-18 Closeout and Term Date

For your 2017-18 ISPIC subcontracts with Rancho Santiago CCD (RSCCD), the terms provided by RSCCD allowed for a grant performance period that ends June 30, 2019. However, RSCCD will be processing the payment of the balance of your ISPIC funds by December 31, 2018. Therefore, you may continue your 2017-18 ISPIC activities until June 30, 2018 and all payments will be made by December 31, 2018.

Should you have any questions regarding processing payment of the balance of your ISPIC please contact RSCCD. A final report will required by July 31, 2019, guidance will be forthcoming.

This memorandum pertains to the Industry Sector Projects in Common (ISPIC) workflow process communicated in my memorandum dated February 21, 2018. Information regarding the ISPIC process for 2018-19 will be forthcoming in the very near future. I am working with Jim Caldwell (Visiting Dean, Key Talent Development), Nita Patel (Grants and Contracts Manager), and Sarah Santoyo (Executive Director, Resource Development, RSCCD) to finalize the process for the 2018-19 ISPIC Process.
