

Deputy Sector Navigator

The Chancellor's Office is engaged in a refresh strategy for our sector work. As part of this refresh strategy, 66 regional Deputy Sector Navigators will be selected to be part of the Doing What Matters framework. Current Deputy Sector Navigators are encouraged to apply.

Steps to apply to be a Deputy Sector Navigator:

1. Find the application on the Chancellor's Office website.
2. Please review the entire application, note new conditions, roles, and responsibilities for the position.
3. Submit a completed application and back up materials via email by 8/15/18. See application for submission format options.
4. Upon receipt, applications will be screened by the Regional Consortia Chair (or their designee), the Sector Navigator (or their designee), a representative of the Chancellor's Office, and an industry representative (optional).
5. By 9/15/18, applications will be selected and interviews scheduled. The same screening panel will conduct interviews.
6. The panel will complete DSN selections by October 31.
7. DSN performance period begins 11/1/18.
8. Please submit all questions, comments and applications via email to dsectornavigator@gmail.com

Each region selected their priority and emerging sectors. Below are a list of the number of Deputy Sector Navigators and the specific sectors selected by each region.
