

The following survey is intended to solicit your interest and capacity. A multi-college Letter of Interest is highly encouraged although single-college applicant is welcomed. Please submit a separate Section B for EACH interested community college associated with the lead applicant. Only community college districts are eligible. All letters received will be posted on the web page associated with this Solicitation. Colleges may still participate in the RFA without submitting a Letter of Interest, although submission of a Letter of Interest is highly encouraged.

Please direct any question to: innovationmaker@cccco.edu

Thank you!

SECTION A

Lead Applicant
District/College: _____
Address: _____

Chief Executive Officer		
Name _____		
Primary Project Contact		
Name _____	Title _____	
Phone _____	Fax _____	Date _____
Email _____		

SECTION B

Please respond to the following questions so we can better understand the demand level:

0	Name of College:	Los Angeles Pierce College	
1	Describe where your college stands in the process (please check your stage of adoption)		
	Our college has interest in exploring or is in the process of exploring how better to connect to the Maker movement.		Yes
	Our college has already explored and has made a commitment to the Maker movement through formal action (e.g., resource commitment, Trustee vote, etc.).		Limited
	Our college has explored, committed to, and has already set up a Makerspace.		Yes/No
	Our college has a team consisting of at least a STEAM/STEAM faculty paired with a CTE faculty to champion this program on our campus.		Yes

	Other:	
2	Expertise You Can Contribute to the Community-of-Practice (please check all that applies)	
	My college can help others explore, commit to, and set up a Makerspace.	Yes/No
	My college can help others develop partnerships with industry/business/iHubs in order to 1) generate work-based learning opportunities for students and/or 2) secure financial support.	Yes
	My college can help others form/develop partnership with grade 9-12 institutions to facilitate early career exploration.	Yes
	My college can help others consider instructional strategies, including but not limited to 4C skills as well as technical skills, and how those strategies relate to community college courses, certificates, and programs.	Yes
	My college can help others bring together STEM/STEAM and CTE faculty to champion the program.	Yes
	Other: Pierce College cannot commit to expanding Makerspace at this time due to campus construction and remodeling.	
3. Please add any comments relevant to this intent survey --		
<p>The college is currently engaging students in multi-disciplinary projects and is ready to share its experiences with and learn from other colleges.</p>		

The college is waiting to hear from an NSF grant submitted last winter with the goal of performing multi-disciplinary projects with CTE students.
