SUBJECT: Notification of Intent to Award Fund for Student Success: Mathematics, Engineering, Science Achievement Program Awards I RFA 17-034

Notification: This is a formal notification of the intent to award *Fund for Student Success (FSS)* grants for new and continuing *Mathematics, Engineering, Science, Achievement (MESA)* programs. Attached is a list of the grant applications and the funding status. This information will also be available on the Chancellor's Office website, Academic Affairs Division, located under *What's New*.

Process: This was a very competitive process with an increased number of applicants. The district/college grant applications were reviewed and competitively scored by community college and Chancellor's Office representatives.

Results: Based on the scores, applications were assigned to one of two categories:

1. **Funded (F)** = Grant application received a score at, or above, 75 points and recommended for funding.
2. **Not Funded (NF)** = Grant application received less than 75 points and therefore not eligible for funding.

Protest: Applicants may file a letter of protest within 10 days from the date of this notification. For purposes of this grant award, the deadline is Monday, October 2, 2017 at 5:00 pm. Please refer to the Request for Applications (RFA 17-034) Section K Grant Protest Procedures (page 14) for information on filing a protest. If a protest is entered during this period, the grants will not be awarded until the protest is resolved. The appeal must specify the grounds of appeal and must be based on the process and/or procedures used in the review and recommendation of application for award.

Revisions: Chancellor's Office staff will contact those districts/colleges awarded funds for technical amendments to the grant documents. These revisions must be received and approved before the grant can be processed for funding.

Executed Agreements: For audit purposes, districts awarded *FSS MESA* funding must retain a copy of the grant agreement and the RFA specification for three years. Collectively, these documents constitute the legally binding agreement to perform the specified work.

Action/Date Requested: Please provide your MESA Director and the Responsible Administrator with a copy of this memorandum and attachment. If you have questions or concerns, please contact Debbie Velasquez at (916) 323-2768 or dvelasquez@cccco.edu.
