

SEC. 35. Section 84754.6 is added to the Education Code, to read:

84754.6. (a) Before the commencement of the 2015–16 fiscal year, the Chancellor of the California Community Colleges, in coordination with community college districts, shall annually approve and publicly post segment wide and community college district goals for, at a minimum, the outcomes and measures described in Section 84754.5.

(b) Before the commencement of the 2015–16 fiscal year, the Chancellor of the California Community Colleges, in coordination with community college stakeholder groups, the appropriate fiscal and policy committees of the Legislature, and the Department of Finance, shall develop, and the board of governors shall adopt, leading indicators of success and best practices across all areas of community college operations.

(c) Pending the availability of funding in the annual Budget Act, the board of governors and the Chancellor of the California Community Colleges shall assess the degree to which each community college district is improving the outcomes described in paragraphs (a) and (b), and offer technical assistance to community college districts that are not improving.

(d) If a community college district is receiving technical assistance pursuant to subdivision (c), the community college district shall submit a turnaround plan that details all of the following:

(1) The issue the technical assistance is attempting to solve.

(2) How the identified problem will be addressed in a plan adopted the governing board of the community college district.

(3) A timetable of major milestones of improvements.

(4) Updates that will be submitted to the Chancellor of the California Community Colleges on the outcome of those milestones, as scheduled by the Chancellor
